LEMON GROVE REVIEW

Volume 9, No. 27 — LEMON GROVE, CALIFORNIA — Thursday, February 21, 1957 — 10¢ PER COPY

The Dimmer VIEW

By MAX GOODWIN

I got a chuckle out of a story I read this week in the AMERICAN PRESS, a monthly publication of the newspapering profession. Story tells of a man who went broke in business and said:

"I blame it all on advertising." His friend replied: 'What do you mean? You never did much advertising.' " 'I know," was his reply, 'but my competitors did.' "

—o—o—

We may not be consistent in all things (our dislike for the horn on the Lemon Grove Railway streamliner being an exception) but we have been steady as a rock in the matter of area high schools. I have argued publicly and in print that the towns in this district are being straddled by high schools . . . . and for a reason. This reason, I offer, is that the high school district cannot avoid the hazards of one of it's component parts, unify it's high school-elementary school district if a high school is placed near the geographical center of the elementary school district, El Cajon being the exception.

Lemon Grove, four or five years ago attempted to unify it's district and met with stubborn resistance from the outside. La Mesan's, in particular, took part in a mail campaign directed at the voters of our elementary school district and this helped to defeat the proposition.

Because of this straddling arrangement Lemon Grove has never been able to fully enjoy the benefits which come from a community having it's own high school. I am happier about Mt. Miguel in spite of the fact that it straddles Lemon Grove and Spring Valley.

These two communities have much in common and much to defend each other against. The two communities have always gotten along well together and the community interests which presently exists connotes a long happy relationship. For these reasons and many more I am not only happy about the location of the school but also about the executive personnel. Melvin Grant has been named principal and Virgil Duea is vice-principal. Grant has the ability and willingness to tie the two communities together at the high school interest level. He can do it, too. Duea will be mighty handy as hard-working side-kick for him.

The only dismal note to creep into this picture is our belief that the new school will not be completed in time to start the new school year in September. That will mean double sessions for a semester and will take the edge off the opening celebration that would have come with a fall opening.

—o—o—

Most of you will observe that I have not yet been beaten into submission concerning my stand on schools. Schools, nor teachers, are not simply money-bought commodities. A lot of people in the State of California agree with me, too. I found this out from a survey conducted by King's Research Service of San Francisco.

This survey included many approaches to the school problem but my point can be made with reference to only a couple of parts. The study showed that 49% of all the people in the San Diego area felt that too little money was spent on public schools. Less than 5% said that we were spending too much. 32 percent said that the amount being spent is just right and 14 percent were undecided.

Another interesting revelation was that 10 percent said that this money should come from property taxes; 50 percent said that the State should pay it and the remainder said it should come from a combination of the two sources.

I had always eyed Los Angeles as a cold-hearted, calculating [illegible], the citizens of which spent more money on liquor, sin and marijuana but they love their schools. 60 percent of the persons there complain that "too little" is being spent for Los Angeles schools. Surprising, isn't it?

—o—o—

It was disappointing that the state Public Utilities Commission last week called off the hearings on local electric rates. As you

(Continued on Page 5)

HID Finds Building Guarantor

To safeguard the interests of the bondholders and the patrons of the Helix Irrigation District the board of that district has named Builders Control, Inc., San Diego, as supervisors on the job of constructing the two chlorination stations.

Work after all will be done by Arvee Construction Company, which had been unable to supply a completion bond for the project. Builders Control will handle the money to pay for the plants, make all payments therefor, and supervise the actual construction. Original bid of $27,032 will stand, and should Arvee not be able to finish the job on time, or meet other specifications in the contract, HID will be protected. This plan supercedes a thought the directors had that the work be done by HID engineers and crews.

On Saturday the district was host to the County Water Authority and the County Water Board. Officials of those bodies were taken on a conducted tour of HID equipment and facilities. End in view, was of course, the securing of a second aqueduct to funnel additional Colorado River water into this area.

Byron Miller, general manager for HID said that the new arrangement for building the chlorination plants meant that all projects authorized by the recent bond issue were now underway.

Rodeo Dates Await Fiesta Events Slate

No actually definite dates have as yet been set for the annual Lemon Grove Rodeo, although tentative dates of July 13 and 14 are under consideration.

Holdup on picking dates is a possibility that the event can be made a part of the annual Fiesta Del Pacifico. There is a question as to whether or not events planned by the San Diego County Sheriff's Posse will be held, and if that portion of the Fiesta goes by the board, the Lemon Grove rodeo could and probably will be made a part of the area-wide celebration.

Suggestion was made at an informal rodeo committee meeting Tuesday that the event here be renamed the "Parodeo" or the "Paradeo," a term which would include both the parade and the rodeo itself. Suggestion came from the Junior Chamber of Commerce section of the rodeo brass.

Ted Skelly, general chairman of the rodeo event said that it was the intention of the committee to make this year's rodeo the best one held so far by attractions, booked, and special features projected, but that actual setting of daes would depend upon the dating within the Fiesta organization for all of the events involved.

Skelly said that special efforts would be made to increase Saturday attendance which was on the down side last year. Sunday crowd was most satisfactory, and if Saturday throng can be increased, financial and accomplishment success will be assured.

BRUMBAUGHS AT MEDICAL CONVENTION

Dr. and Mrs. Simon Brumbaugh, 7337 Central Avenue, were at Disneyland Hotel last week. With them were Barbara and Carol, two of their children and Dr. and Mrs. S. C. Brumbaugh, Sr.

The doctors attended a post-graduate Institute sponsored by California Medical Association.

Water Rights For 2,500 Acres Set Stage For Building Boom

Freeway Opened By Beauty

FREEWAY BREAKTHROUGH—is staged by Doree Radici, Miss Lemon Grove, when the Lemon Grove Freeway was formally opened to traffic last Friday afternoon. Here she breaks through a sign which proclaims the Freeway open. With her an her right, is Earl Smart, president of the Lemon Grove Chamber of Commerce, and at the wheel of their ceremonial craft is Jim Spears who supplied the automobile for the affair. —LG Camera Photo.

Election To Validate In 90 Days; Huge Spa Planned

Acquisition of water rights for 2,500 rolling acres of scenic property north of Sweetwater Lake this week bid fair to set off one of the most fantastic building booms ever seen in the Spring Valley-Casa de Oro-Lemon Grove area.

Agreement reached by the La Presa County Water District which covers the 2,500 acres involved, with the Otay Water District for water made the development possible.

Water rights acquisition was announced by Fred J. Hansen, owner of 1,200 acres within La Presa District. Hansen spearheaded recent formation of the La Presa District.

The Otay Irrigation District contains approximately 60,000 acres and has a water entitlement of approximately 1,000 acre feet. Board members of the district, according to Hansen, agreed to the formation of the La Presa District as the most feasible use of available water.

The area covered is roughly between Sweetwater Road on the west; Helix Irrigation District's south boundaries on the north; Fred Hansen's Sweetwater Ranch east property line on the east, and the California Water and Telephone District north limits as the District's south boundary.

Included within the district is Dictionary Hill. Scores of small lots have been sold to investors during the past two years from this hillside. Also included are La Presa Airport, La Presa Acres, part of the property recently acquired by Bollenbacher-Kelton, the firm which developed Allied Gardens. The Bollenbacher property is near the intersection of the Sweetwater Road-Jamacha Road Intersection.

Sewers Available

Part of the development will wait on sewers, Hansen said. He said that under State law County Districts could set up and operate its own sewer district. Part of the La Presa District is already within the Spring Valley Sanitation District and sewer facilities, now being built along Sweetwater Road, will be utilized, Hansen said.

Playground Planned

Hansen said that he plans to build one of the nation's finest playgrounds and spas on a 500 acre tract which encompasses the famous Sweetwater springs near La Mesa Airport. Top quality estate type homes will be developed in the remaining 700 acres of his property.

Clarence E. "Duke" Morris, owner of La Presa Airport has indicated several plans for development and acquisition of

School Study Not To Affect Lemon Grove

The call for reorganization study of the Grossmont Union High School District by the County Committee on School District Organization will not affect the Lemon Grove Elementary School District, Byron Netzley, superintendent said.

While all elementary school districts within the Grossmont district will be studied, the request was instituted by the Cajon Union School Board with an eye toward unification of that district.

Unification, if successful would give El Cajon a single elementary-high school district. As it now stands Grossmont High School District covers elementary districts of El Cajon, La Mesa-Spring Valley, and Lemon Grove.

Lemon Grove attempted unification in 1954 but the issue was defeated.

W. Dorman Heads County "Y" Directors

Wallace Dorman, Lemon Grove attorney will head the San Diego County YMCA for the coming year as its president.

Dorman, long active in YMCA work, was elevated to that office last week at a meeting of the board of directors of that organization. The meeting was the 39th annual meeting of the County Y. Dorman's term will run until March 14th next year when the annual meeting is held in Escondido.

At the same meeting, Earl Smart, another Lemon Grove attorney was named to the treasurership of the County Y. His term will run concurrently with that of his fellow Lemon Grove lawyer.

Frank Armstrong Named To State School Board Group

Frank Armstrong, 8230 Golden Avenue, a member of the Lemon Grove Elementary School Board for the past four years, has been named to the Legislative Committee of the California School Board Association.

This committee has been influential in guiding legislation concerning schools.

Armstrong, who was re-elected to the school board for a three year term last May, is an attorney. He has been active in the San Diego County School Boards Association.

BUSINESS BOOSTERS CLUB SETS MARCH MEETING DATE

Twenty six local business firms were represented at the second organizational meeting of a group forming to promote business activities in Lemon Grove.

The next meeting, at which the final draft of the constitution and by-laws will be announced, will be held Tuesday, March 5, at Michaels.

Colorful Ceremony, Luncheon Mark Formal Use Of Lemon Grove Unit

Newly Opened Freeway Poses Traffic Problem

What has the College-Campo section of the Lemon Grove Freeway meant to motorists of the area?

Saturday and Sunday traffic up and down Broadway checked out about the same, and pedestrians experienced the same old difficulty in getting across that thorofare. A check by BULLETIN-REVIEW staffers disclosed that on Sunday morning, 10:30 a.m. to 12:00 noon, 121 automobiles used the Freeway traversing the Lemon Grove area. During the same hours 436 automobiles passed over the Broadway section from Massachusetts Avenue to the Postoffice. Another checked result was the increase of traffic congestion and accident hazards where the Freeway joins Campo Road, and development of a similar situation at the Buena Vista-Massachusetts approaches to the new highway.

California Highway Department assistant district engineer, R. R. Luckenbach said use of the Freeway was in part an educational process. Luckenbach himself and two aides were in the area most of Saturday and found that many people apparently did not yet at that time know that the freeway section had been opened to traffic.

He said that his department was perfectly aware of the traffic and accident situation developed at the Campo Road intersection and that traffic checkers and engineers from his office are keeping a close watch on the point. He said that a crew would continue to survey the section for several days, and that they were on hand again last Monday and would probably stay on the job the rest of this week.

San Diego Transit Company had an engineer and traffic counters on hand at Campo Road Saturday and were checking the Campo point themselves. Transit authorities are concerned about the problem of getting the Lemon Grove-Spring Valley-La Mesa buses across the Freeway at Cam-

(Continued on Page 10)

"Help, People Are Robbing the Joint"

An employee went in the front door as burglars left hastily through the rear door at the Broadway Ex Cafe, 7231 Broadway in the wee small hours of Monday morning.

Lee Earl, 3262 Alford street, discovered burglars at work in the restaurant as he opened the door to start his morning clean-up chores. It was about 3:50 a.m. Earle yelled at the top of his voice, "People are robbing the Joint." Behind Earl's car deputy sheriff Hal Johnson had been cruising slowly so he heard the yelp for help and wheeled into the parking space in front of the cafe.

Johnson leaped from his car, drew his pistol and ran around the rear of the building where he spied two men trying to climb a wire fence. The deputy fired a shot into the air, but a pair of figures kept on going. One of the suspects, later identified as Ervin Ernest Ross, 26, of 881 Stella street, Chula Vista, made the fence and disappeared into the gloom. The other suspect, Howard Lee Sell, 20, a sailor from the Naval Radio Station, Imperial Beach, became entangled in a pile of paint cans stacked along the fence and Johnson cowed him with a pistol stuck into his stomach.

Meanwhile, Ross, who had fled down an alleyway, wound up at Bills Self Service Station nearby where he was overpowered by J. W. McGill, night manager and two of his helpers and a patron.

Meanwhile Johnson had called for help with his plea answered by the La Mesa Police Department. That department dispatched a police cruiser whose officers aided Johnson in holding the suspects until they could be turned over to other sheriff's deputies and lodged in the county jail on a charge of suspicion of burglary.

Johnson said that entry to the cafe had been gained thru a bathroom window from which the screen had been removed and had tried to flee simply by opening the rear door. Amusement machines had been broken open, and quarters, nickels, and dimes were scattered over the floor in all directions evidently by Earle's unexpected entry.

Committee Heads Named By S. V. 4-H Club

Chairmen for various groups were named at the monthly meeting of the Spring Valley 4-H Club at a meeting of the Club earlier this month at the home of Philip Mathewson, 9565 La Mar Street. James Essary, sheep; Melvin Olsen, goats; Lynn Mustol, poultry; Andrew Kerr, activity; Vicky Ashe, reporter; Susan Gardner, program; and Christine Mathewson, home crop.

Three demonstrations were given by members. They were "How to Kill a Turkey" by Lynn Mustol; "Docking Sheep With the Elastrator" by James Toft, and "Losses That Occur in Storing Feed", by Andrew Kerr.

Grossmont Hi Board To Eye Unity Study

Grossmont Union High School Board decided at a special meeting Monday night not to take any action on the question of school district reorganization before extensive consultation with and possible agreement with elementary school districts which would be involved.

Stand was made after consideration of a request by the Cajon Valley High School District previously made to the San Diego County Committee on School District Organization for a "study of reorganization within the Grossmont Union High School District".

The administration was directed to invite elementary boards to a meeting to be held March 4th (Monday), 7:30 p.m. in El Cajon Valley High School to study the Cajon Valley request and seek a basis for agreement on improvement of school district organization in the Grossmont area.

The Board also approved a policy statement deferring action on salaries until study and recommendations by faculty and citizen advisory committees are available.

New Beauty Shop To Beautify Local Gals

If Lemon Grove gals are looking lovlier than usual these days it may be because there is another beauty shop doing business here.

The newest one is the Mynette Hair Fashions at 7563 Broadway next door to San Diego Glass and Paint.

Owner of the shop is Mrs. Jeannette Fairbanks, well known area business and professional woman who currently conducts gardening classes for the Grossmont Adult Education School at the Lemon Grove VFW Hall.

Mynette is now open daily 9 to 5:30 and plans a gala opening celebration soon.

Taxpayers Group Eyes Pay Hikes

The Mountain & Valley Taxpayers Association held a regular monthly Board Meeting at Spring Valley School Thursday evening. All members of the board were present, turned in reports.

Following the reading of minutes of previous meeting, Guest Speaker, William (Bill) Shearer, Republican candidate in the last election for Assemblyman from this area, was introduced.

Regarding proposed increase in salary of Assemblyman to $12,000 yearly for a "part-time job," Bill said he was opposed to any increase in wages for members of the lower house of the Legislature.

With the present salary plus extra emoluments, the boys get close to $12,000 each year for a month's work in even years and some 5 month's work in odd years besides their $6,000 salary. Assemblymen draw $14 per diem for food and lodging. They get a secretary, paid by the State, and various other sums, which bring their "yearly "take home pay" to nearly $12,000 annually, now.

Bill introduced his wife, who helped him in his campaign, married him after election. She is a charming lady, seems very capable, and will be a big help to Bill in his future political career. Bill is presently employed by the Republican Party, seems to know his way around.

Mrs. Lucy Martin, president of the Association, kept things moving. Pending meetings and subjects of interest were discussed, and action in the selection of two candidates for Spring Valley-La Mesa school board were also discussed.

Closing hour, 10 p.m., slipped up quietly, almost before those present realized the lateness. Meetings must be over at 10, to allow the custodians access to ready the room for the youngsters the next day. D.H.

WASHINGTON SUMMARY by ED KOTERBA

ANTARCTIC BLUNDER. The United States may have lost a strategic jump on the Soviets by its open generosity in the Antarctic.

This government could have rightfully claimed the land of the South Pole, but didn't . . . Now Russians are moving in to establish submarine bases in this "open" territory.

PIQUED AT MAMIE. News women around Washington are angered about Mamie Eisenhower's iron curtain relations with the press.

The first lady has discarded meeting with lady reporters. In fact, she hasn't since Christmas 1955.

To top it off, when it came to releasing the description of her inaugural gown in January, she let New York reporters scoop the local gals . . .

'POSITIVE MOVE.' Of all the debate and opinions on the President's proposal for standby authority in the Middle East, Rep. Peter Frelinghuysen may have summed it up best. Praising Mr. Eisenhower, the Congressman said:

"I believe the President is attempting to lead the nation out of a period of hesitant internationalism into a new stage of enthusiastic and positive involvement."

RECORD OF BILLS. In the first full month of activity this year, Congress introduced 5,100 would-be laws. This is a new record but as in the past, less than one-tenth of the bills will be passed.

FAKE BARGAINS. The Federal Trade Commission will start soon to crack down on fake store bargains.

They'll be looking especially at cases where merchandise is marked up abnormally, then marked down later to an equitable market price—and advertised at "drastically reduced prices."

LITTLE-KNOWN FACTS. Did you know that the Treasury Department is making a profit out of wood? Last year, it received $80,000,000 from timber cutting and related activities on land owned by the United States . . .

Which fish accounted for the greatest catch in United States waters last year? It was the herring-like menhaden, which is used for oils and fertilizers. Last year's harvest was more than two BILLION pounds. (Next in line was tuna with 330 million pounds.)

Miscellaneous. Cost of new homes going up? Here's a comparison: A house that cost $16,000 to build a year ago costs $17,000 to put up today, according to real estate experts here . . .

Effective now, all racial designations, such as "Caucasian," will be dropped from all Army orders by command of the Pentagon . . .

Harold Stassen's bid for the presidency in 1960 is said to have been nipped in the bud when Pennsylvania Republicans gave him the cold shoulder after he told them he wanted to run for governor of Pennsylvania. (Stassen has felt that the governorship would be a stepping stone to the White house.)

Annexation Of Land To SD Union District Mulled

A 100 acre subdivision, owned by the firm of Bellenbacher and Kelton (southwest of the intersection of Sweetwater and Jamacha Roads), now in the La Mesa-Spring Valley School District and the Grossmont Union High School District, is scheduled for annexation to the City of San Diego, according to word from the LM-SV School District, last week. Reason for the annexation was given as primarily water supply.

However, the Board of Education of the San Diego Unified School District has gone on record as "being opposed to the annexation . . . of any land lying east of Lomita Village."

It appears that this land (now uninhabited) will go into San Diego, but will remain in the two local school districts. In addition, the LM-SV School District Board said it was informed that the Chula Vista City School District had indicated that a portion of the land just south of the LM-SV School District (also belonging to the same company afore mentioned) now is in the Chula Vista District, cannot be reasonably served by them.

So there is a possibility that the Chula Vista land may be annexed to the La Mesa-Spring Valley School District.

Also, in connection with new territory, it was reported that there is a proposal that certain land in the Waring tract including the sub-division known as Lake Park) now in the San Diego Unified School District, might become part of the local district. However, in all cases mentioned, many months of serious study will have to be made before any decisions are reached.

SECOND YEAR IN A ROW—A Boy Scout of the First Congregational Church earned the "God and Country" award for the second year in a row. This year Robert Nelson, above, son of Mr. and Mrs. Ralph Nelson, 1570 Skyline Drive received the award.

The "God and Country" award ranks with the Eagle Scout award but with emphasis on the church. Presentation is made by the National Boy Scout office only after the boy, who must be a first class scout, has spent at least a year preparing himself and passes a rigid examination.

Robert Nelson has been working at the project for two years, has been meeting with his minister every week. In the photo above, Rev. Bruno Puechel is shown making the presentation.

Last year Dan Heiserman received the award.

Woman's Club Skits, Honors New Members

Humorius Episodes Backstage Opera will be the program for the day at the regular meeting of the Woman's Club February 26 at the clubhouse. Piece is authored by Charlie Cannon. Starting time is 1:30 p.m.

Mrs. Ella Almond, Mrs. E.M. Culver, Mrs. Lewis Leghin, Mrs. Emma Koester, Mrs. R. Seder, Mrs. Crarles Simmons, Mrs. Edith Baliquette, Mrs. John Ward, and Mrs. Bertha McMurrough are new members of the club who will be honored at that meeting.

Mrs. George Neitmann is chairman, and Mrs. Walter Shimp, Mrs. Norman Spain, and Mrs. Phoebe West are members of a committee serving as hostesses for the day.

Just arrived
new Pillsbury Rx-304 helps fight all four deadly diseases

TESTED AND PROVED ON 60,000 CALIFORNIA RABBITS

New Pillsbury Rx-304 is now available at our store. It's an entirely new kind of feed. A balanced ration that keeps rabbits growing safely to market while it checks coccidiosis; helps control mucoid enteritis, pasteurellosis and diarrhea. How? New Rx-304 delivers six times more antibiotic power than ever before available in standard rabbit growing feeds—plus sulfaquinoxaline and high-level vitamins.

Result: with new Rx-304 you can save more rabbits for market. And every rabbit saved will give you a bonus profit over your previous feeding program. Cut mortality. Get Rx-304 today.

Corset Strings Tightened To Bolster Helix Lake's Tank

Helix Lake water storage tank got a new wrap-around last week, and it wasn't a fancy one either. Nearly 150 miles of tough cable were wound around the huge tank and a power gadget tightened the cable thus stressing and testing the tank, HID directors want no part of a lad putting his arm in a hole in the dam (tank).

Workmen were busy this week wrapping wire around the Helix water tank in a pre-stressing proces that will strengthen the concrete tank, Bob Wilken, project engineer for the Helix Irrigation District, said yesterday. Approximately 150 miled of wire is being used.

Prevents Cracking

The 4,000,000 gallon tank was originally poured in six sections with a rubber water stop inserted between each section. The wire wrapping binds the sections together and establishes an exterior compression sh that when the load is poured into the tank there will be no cracking of the concrete, Wilken said.

The engineer said the wire is .162 inches in diameter before being wrapped around the tank. The wrapping machine places a stress of 105,000 pounds per sq. inch on the tank and is .141 inches in diameter after the machine stretches it against the tank's wall.

The workmen first wrapped the tank from the bottom to the full 33-foot height of the tank. The tank was then Gunited with a layer of sand and cement.

A second wire-wrapping operation was started at the bottom of the tank and completed to a height of 21 feet, followed by a second Gunite operation. A final wrapping job will cover the bottom 11 feet of the tank this week, according to the engineer.

The tank is one project being constructed under the $5,230,000 bond issue program to increase delivery and storage capacity in the Helix Irrigation District.

Another 4,000,000 gallon tank is under construction in Lemon Grove, Wilken said. The Lemon Grove tank is of steel and is approximately 25 per cent completed.

Over Half Done

Overall, the bond project program is approximately 58 per cent completed, according to Wilken. "We expect to meet all requirements and be finished with the work on schedule," he said.

In point of time the Grossmont reservoir enlargement work is the slowest, but was delayed a few days in getting under way last December and then was delayed by the January rains. "The contractor has lost about one-third of his working time to date," Wilken said. The work has been progressing very well this month, he said. It is approximately 13 percent completed.

The supply line from the San Diego aqueduct and the El Monte connection line are approximately 20 percent completed. The Lakeside-Grossmont transmission line is 76 percent completed while the Grossmont tunnel project is finished.

The Helix pump, Sierra Vista and Helix by-pass lines are 71 percent completed, and the Alvarado transmission and Lemon Grove feeder lines are 80 percent complete, Wilken said.

Wilken said that some of the projects are ahead of schedule and some others are behind but that the work is expected to move along smoothly before the hot summer weather.

CC, Control Board Must Divorce

S.V. Hears Rumble About Incorporation

The Spring Valley Coordinating Council and the Control Board must be separate units, say officials of the County Park and Beaches of the Public Works.

This was brought to light last Tuesday night, when the Spring Valley Coordinating Council met. Through a misunderstanding, the Council was under the impression that it could act as the Control Board, which has control over the Goodland Acres (Pals and Gals) Clubhouse as far as renting and reporting on maintenance are concerned.

Representatives from the different organizations in Spring Valley (there are 34) who attended the meeting, were urged to tell their respective organizations that a representative other than that of the Coordinating Council is needed for the Control Board. The Board will meet whenever it is necessary, probably no more than three or four times each year. The representative is appointed for a one year term.

Mrs. Vivian Lawton has been appointed by the County as the one to collect the rents for the Clubhouse and to take care of the key. She replaces Mrs. Edith Robeson, who has worked in that capacity for several years.

Mrs. Robeson received the following letter from the Park and Beaches department:

Mrs. Edith Robeson.

Enclosed find receipt No. 55224 for $114.00 covering rentals of the Goodland Acres Clubhouse prior to January 1, 1957.

This department wishes to thank you for your faithful services, keeping records, collecting rental monies, and your cooperation in supervising the operation of the building in the past few years. You have done a faithful community service.

Very Truly Yours,
Claud J. Hupp, Chief,
Public Works Department,
Parks & Beaches Division.

COMMITTEE URGED ON LIBRARY QUESTION

It was urged that a committee be formed from citizens in the Spring Valley, Casa de Oro, Homelands and La Pressa areas to study and agree on a location for a library in this area. Council agreed to take the problem back to their respective organizations.

INCORPORATE SPRING VALLEY?

A spokesman in the Coordinating Counicl warned the group that unless the people of the Spring Valley area give a lot of thought to zoning and later incorporation of the area, that we will soon be taken in by La Mesa, Lemon Grove or even San Diego. She pointed out that all the community projects that have been so long coming, and that had been secured by long and hard labor, will go right down the drain. Other members of the Council stated that they had heard such rumors and that it is a question not to be taken too lightly.

WHAT ABOUT THE BELT LINE?

It was brought out that a belt line from Chula Vista to Campo Road (such a line has been denied) will take off about 75 feet of the playgrounds of the new Bancroft School. The Coordinating Council voted to send a letter of protest to the County Board of Supervisors on the question, and all citizens of the Spring Valley area are urged to do the same.

SPRING VALLEY POM BEST LOCAL DOG IN SHOW

"Gold Mist of Waverly", a Pomeranian owned by Anna Fortune, 9279 Campo Road was judged best local dog in the Silver Bay Kennel Club's annual dog show last Sunday.

There were 380 local entries in the show, so the little Pom's vic was quite a feat.

Weeds Coddled Woo Water Thrift

Savings in cost and water can result from careful attention to the control of weeds and grasses in citrus and avocado orchards.

From one-third to one-half of the total moisture applied to an orchard will be used by a weed or Bermuda grass ground cover.

Water needs of the trees alone will range from about 15 inches per acre at the coast to as much as 36 inches in inland districts. In order to satisfy these requirements, it may be necessary to apply twice these amounts of water to the orchard to provide for satisfactory growth of the trees in competition with weeds.

Weed control resulting in savings in the amount of water can be worthwhile, particularly where shortage exists and where water is expensive. In addition, proper methods of weed control can reduce the cultural costs of the orchard.

WILLIAM E. RIFE ARMY ENGINEER SCHOOL GRAD

FORT BELVOIR, Va., (Spec'l) — Private Gerald D. Rife, 18, son of Mr. and Mrs. William E. Rife, 2040 Dayton Drive, recently was graduated from the ten-week supply specialist course at The Engineer School, Fort Belvoir, Virginia.

Rife entered the Army last September and completed basic training at Fort Carson, Colo.

He is a graduate of Helix High School in La Mesa.

WORLD DAY OF PRAYER PLANS READIED

WORLD DAY OF PRAYER—Invitations have gone out to all of the churches in Spring Valley, Lemon Grove, and Casa de Oro to join with the Wesleyan Skyline Methodist Church in observance of the World Day of Prayer on Friday, March 8th.

Mrs. Orval C. Butcher heads the Committee of twenty-three members of eight churches which met Monday morning of this week for a planning session.

Women around the world meet in hamlets, communities and cities, beginning with the Tonga Islands, in a 24-hour continuous program, ending in the most western islands of Alaska.

The outline of procedure has this year been written by Mrs. Serena Vasnady, Hungarian born, and the theme is "Who shall separate us . . . ?" The offering will, as is customary, benefit missionary efforts, Christian and medical training schools, scholarships, migratory workers; both home and foreign missions.

Representatives of the eight local churches shown are:

Back row, from the left: Mrs. Hazel Clark, Friends Church, Spring Valley; Mrs. Esther Reynolds, Lemon Grove Methodist Church; Mrs. E. C. Granstedt, Lemon Grove Lutheran Church.

Front row, from left: Mrs. Bob Rochelle, 1st Baptist Church, Lemon Grove; Mrs. Russell Ray, St. Philip's Episcopal Church, Lemon Grove; Mrs. Orval C. Butcher, Chairman, Wesleyan Methodist Skyline Church, Mrs. Marie Herder, Lemon Grove Congregational Church; Mrs. Della J. Prescott, Church of the Nazarene, Spring Valley

Town Meeting At Grossmont Slated

A follow-up Town Meeting, which will stress mental health of the family and youth, will be held in the Grossmont High Auditorium, Wednesday, March 6, at 7:45 p.m. Everyone is invited.

There will be a discussion on the recommendations made at the Governor's Conference last year. Dr. Margery McIntosh will be the moderator of the evening. She is with the County Schools. John Warburton, Principal of the Grossmont High School will be the local panelist.

The television program on the same subject, to be aired over KFSD-TV on February 24 and March 10, will be presented at 3:30 p.m. instead of 3 p.m. as previously mentioned. Check the time.

Jehovah Witness' Assembly Film To Be Screened Friday

The La Mesa-Lemon Grove-Spring Valley congregation of Jehovah's Witnesses will screen "The New World Society in Action", a color film. It will be shown Friday, at 7:30 at their Kingdom Hall, 4738 Fourth St., La Mesa.

"The film was produced by the Watchtower Society of New York City," said Edgar A. Flinn, presiding minister, "and is an opportunity to see Jehovah's witnesses at work, learn some interesting facts about them and discover why they are the fastest growing Christian organization on earth," he said.

The film includes picturization of headquarters organization from which worldwide Christian activity is directed, shows step-by-step manufacturing of Bibles and literature, and the New York national meeting of which 165,000 men, women and children from 97 countries attended at Yankee Stadium. It also shows Trailer City with its 45,000 population.

Chas. W. Rieger of New York city will narrate the 1½ hour film.

No charge will be made or collection taken.

Writers Clubmen To Read Articles

Reading of the original stories or articles and criticism will be the main order of business when the La Mesa Writers Club meets next Monday at 1:30 p.m. The meetings will be held in the home of Mrs. Earl (Hallie) Holmes, 8033 Fairview, La Mesa.

The meetings will be under the chairmanship of President Nan Thompson. Visitors interested in writing are welcome.

LEGION TO HOLD A RUMMAGE SALE

Members of the La Mesa American Legion Auxiliary, Unit No. 282, will hold a rummage sale Wednesday, February 27, from 9 a.m. to 4 p.m., and on Thursday, February 28, from 9 a.m. to 2 p.m. The sale will be held in the American Legion Hall, 8118 University Ave., La Mesa. Proceeds will be used for Welfare work, according to Chairman Mrs. Nell Parks.

RENTERS WILL SHARE COUNTY TAX WITH LANDLORDS IF THEY OWN FURNISHINGS SAYS ASSESSOR

If you are a rental property owner and your tenant owns some or all of the household furnishings, you'll be able to pass the assessment of these furnishings on to the proper owner by way of a form being distributed currently by the county assessor.

John McQuilkin, county assessor, said this week that property owners of record for the 1946 period are on the list to receive these forms.

All landlords having rental property of this type should return these forms, or this information in letter form, to the County Assessor's Office during the first week in March of this year. The form should show the tenant's names, both husband and wife, the address, the legal description of the real estate, and whether the tenant owns all or only part of the household furnishings. This will enable the Assessor to make the assessment and send the bill to the tenant; otherwise, such household furnishings will be assessed and billed to the landlord, McQuilkin said.

Real Estate owners in this category should contact the Assessor's Office, Room 103, Civic Center, if they are in need of additional information.

MOTHER OF LEMON GROVE RESIDENT PASSES AWAY

Funeral services were held February 14 for Mrs. Jennie Nevegold, 61, who died Sunday while visiting in Tucson, Arizona. Burial was in Glen Abbey Memorial Park.

Mrs. Nevegold had been a resident of San Diego for 29 years. She leaves her husband, Raymond; a daughter, Mrs. Harold Bunch, San Ysidro; a son Raymond W. Nevegold, Jr., 1770 Dupont Drive, Lemon Grove, and five grandchildren.

THREE SCHOLARSHIPS were awarded recently by the Lemon Grove Woman's Club to encourage mid-term school graduates to enter college.

Pictured at an award ceremony at the Woman's Club clubhouse are Laird Hodge, 7954 Normal Lane, La Mesa, who was awarded a science scholarship; Mrs. Paul Harvey, committee chairman who made the awards; Susan Phillips, of Lakeside, who received a science and math scholarship, and Joan Engelfried, 4366 Elma Lane, La Mesa, who received a nursing scholarship.

Miss Phillips is a Grossmont student, the other award winners are Helix students.

TV Star To Top County-Y Program

Leo Carillo film and TV favorite will head a youth program in Escondido Thursday, March 14th when County - Y officials and friends meet to hear a report on 34 years of progress by the county organization.

John A. Davis, County YMCA vice president and member of the board of directors said that the county program got it's start in Escondido 23 years ago. The March program will commemorate the organization's beginning, he said.

Herman Gibson, president of the Escondido Rotary Club will be chairman and toastmaster at the eventscheduled to be held in Plymouth Hall.

Dinner will be served at 6:45 p.m. and will cost $2 per person. Reservations may be made at the downtown Y office or the County Y office in El Cajon.

Grove Residents Asked To Mail Heart Contributions

House-to-house and door-to-door collections for funds for the 1957 Heart Fund Drive will be made in some parts of the county Sunday from 1 to 3 p.m. but no such collections will be made in Lemon Grove, it was announced this week by Clair W. Bergener, chairman of the Drive.

Local residents are requested by Heart Fund officials to be their own volunteer and mail contributions to the San Diego Heart Association, 1651 Fourth Avenue, San Diego.

Money collected goes into a fund for research on cause of heart disease and methods for alleviating suffering and prolonging life.

☆ In Texas, prospective teachers are learning via television how to teach.

Dimmer View

(Continued)

know, we are at the mercy of a two-zone system that is broken into incorporated or unincorporated areas for purpose of rates. The present system has been in effect since August 12th, 1956 at which time rates were increased 15% in sixth class cities and raised 24% in unincorporated areas.

The philosophy of utility rate structure is basically simple. The further you are from the source of supply the higher the rate is. In that light it doesn't make much sense that we pay a higher rate in Spring Valley and Lemon Grove for "juice" from a line running through out community which also serves residents in the comparative back country of La Mesa and El Cajon. That is what happens though. El Cajon and La Mesa pay a lower rate simply by being incorporated, though I cannot see why governmental make-up should have an effect on electric rates.

With PUC dropping the study the chances for lower electric rates here without the benefit of incorporation dies on the vine. It should be pointed out that incorporation by conception or adoption would be equally acceptable to the electric firm and the savings would be $10-$12 a year on the average household utility bill.

We're not about to pick a fight with John McQuilken, our present county assessor just because he uses big words but there certainly was a batch of ostentatiousness in that news release he sent us this week.

Says John: "Forms are now available... (for) eleemosynary organizations..."

If he will call 'em charity organizations in his next yarn we'll be able to understand what he's talking about... and since he's smart enough to use an eight cylinder word in the first place he'll know that ostentatiousness makes him a "show-off".

W. V. Montgomery To Head Local 'Save Water' Campaign

W. V. Montgomery, 6721 San Miguel Avenue, a representative of the Graybar Electric Company, wholesale distributors, has been named to head up the area Don't Waste Water Campaign.

Montgomery said that Lemon Grove and Spring Valley would be mapped into working districts and various clubs and groups would be assigned "quotas" for checking.

Quotas will be established between March 1st to 5th. On March 10th, a "fix it" campaign is to get under way.

January Realty Transfers Set Near Record

The Real Estate Barometer, published monthly by Security Title Insurance Company, February issue is quoted here, and with 2808 transfers for the month says that January topped December 1956, by ten percent. This figure is 6 percent less than the 3037 transfers recorded in January, 1956. It constitutes, however the third highest January in Barometer history, ranking only behind January, 1956 and January, 1946, the latter having accounted for 2924 transfers for that month eleven years ago. Traditionally, the Barometer chart shows January to be one of the lowest months of the year with respect to volume of transfers.

Transfers in combined areas of La Mesa-Grossmont-Lemon Grove - Spring Valley totalled 297 of a total - suburban - of 798. Total rural, (County Metropolitan District) was 518. (Buyers seem to be going out in the county for homes.)

Loans:
La Mesa-El Cajon Savings and Loan Association, (branch office in Lemon Grove), made 70 loans, was sixth on the list with $708,800. U.S. National Bank, (branch in Lemon Grove) made eight loans totalling $135,500. Federal Land Bank, Berkeley, made 1 loan of $12,000. That ended the list of loans. Total loans - 1292—$15,243,191.00.

Folks looking for a HOME PLace are invited to investigate Lemon Grove and Spring Valley before they invest. We've got everything that heart could wish out here. Come and see.

NOTICE OF HEARING OF PETITION FOR INCLUSION OF LANDS WITHIN HELIX IRRIGATION DISTRICT

NOTICE IS HEREBY GIVEN by the undersigned, the Secretary of the Board of Directors of the Helix Irrigation District, that on the 19th day of February, 1957, a petition was filed in the office of said Board of Directors praying for the inclusion of the tracts of land in said petition and in this notice hereinafter described within said Helix Irrigation District. The names of the petitioners who signed said petition are as follows:
AUREN M. PIERCE
JEANNE A. PIERCE
The tract of land proposed by said petition to be included in said District is described as follows:
PARCEL 1:
All that portion of the Southwest Quarter of the Northwest Quarter and the Northwest Quarter of the Southwest Quarter of Section 17, Township 16 South, Range 1 East, San Bernardino Base and Meridian, in the County of San Diego, State of California, according to United States Government Survey thereof, described as follows:
Beginning at the Southeast corner of Lot 1 of said Section 17, being also the Northeast corner of the Southwest Quarter of the Northwest Quarter of said Section 17;
Thence Southerly along the Easterly line of the Southwest Quarter of the Northwest Quarter of said Section 17, and along the Easterly line of the Northwest Quarter of the Southwest Quarter of said Section 17, to the Northeast corner of the South 20 acres of said Northwest Quarter of the Southwest Quarter;
Thence Westerly along the North line of said South 20 acres to an intersection with the West line of said Section 17;
Thence Northerly along said West line to the Southwest corner of Lot 1 of said Section 17, being also the Northwest corner of the Southwest Quarter of the Northwest Quarter of said Section 17;
Thence Easterly along the South line of said Lot 1 to the point of beginning.
EXCEPTING THEREFROM that portion thereof described as follows:
Beginning at a point on the East line of the Southwest Quarter of the Northwest Quarter of said Section 17, distant thereonlong Northerly 1312.79 feet from the Southeast corner thereof, said point of beginning being the Northeast corner of land conveyed to Auren M. Pierce, et ux, by deed recorded April 12, 1956 in Book 6056, at page 147 of Official Records of said County;
Thence, along the Northerly line of said Pierce land, North 89°58'10" West 826.67 feet, North 4°05'40" West 149.88 feet, and North 30°23'10" West to an intersection with the South line of said Lot 1 of said Section 17;
Thence Easterly along said South line to the Southeast corner of said Lot 1;
Thence Southerly along the East line of said Southwest Quarter of the Northwest Quarter of Section 17 to the point of beginning.
PARCEL 2:
All that portion of a Resubdivision of West Avondale in the County of San Diego, State of California, according to Map thereof No. 1456, filed in the office of the Recorder of said San Diego County, described as follows:
Beginning at the Southeast corner of Lot "A" of said Resubdivision;
Thence Easterly along the Easterly prolongation of the Southerly line of said Lot "A" to an intersection with the center line of the County Road 50 feet wide, as shown on said Map No. 1456, being also the Easterly line of said Resubdivision of West Avondale;
Thence Northerly along said Easterly line to the Northeast corner thereof;
Thence Westerly along the Northerly line of said Resubdivision of West Avondale to an intersection with the Northerly prolongation of the Westerly line of Lot 11 of said Resubdivision;
Thence Southerly along said Northerly prolongation to the Northwest corner of said Lot 11, being also a point on the Southerly line of an alley 20 feet wide as shown on said Resubdivision;
Thence Easterly along the Southerly line of said 20-foot wide alley to the Northeast corner of Lot 1 of said Resubdivision, being a point on the Westerly line of said 50-foot wide County Road mentioned above;
Thence Southerly along said Westerly line to the point of beginning.
NOTICE IS HEREBY GIVEN that said Board of Directors will hear said petition and objections thereto at 9:00 A.M. on Tuesday, March 19, 1957 said day being the regular meeting day of said Board next after the expiration of the time for the publication of this notice. Said hearing will be held at said time in the office of said Board, at 710 Spring Street, in the City of La Mesa, in the County of San Diego, State of California.
NOTICE IS HEREBY FURTHER GIVEN to all persons interested in or that may be affected by the proposed inclusion of said lands within said District to appear at said time and place and show cause in writing, if any they have, why said lands or any of them should not be included as proposed in said petition, to which petition reference is made for further particulars.
DATED this 19th day of February, 1957.
MARGARET C. PENRY, Secretary of the Board of Directors of Helix Irrigation District.
LG Review—Feb. 21,28, March 7, 1957.

Dance, Musicale, Art Show And Polio Shots Programmed By Juniors In Week's Span

The Lemon Grove Woman's Club Juniors Mardi Gras Ball at the Singing Hills Country Club is expected to attract a host of friends and members Saturday. Dancing starts at 9 p.m. and reservations are not needed. Reservations are needed for dinner should guests plan to eat at the club.

Mrs. Carl Piepenbrink, Jr., and Mrs. Russell Eldridge are in charge of the dance; Mrs. Ray Kickbrush the decorations.

Tuesday, a musicale is planned at the clubhouse at 8 p.m. Admission will be by donation and funds will go into the club's "Build a Better Community" projects, the major one of which is giving assistance to the local school's remedial reading program.

MMrs. Phillip Burch is putting the show together and acts range from can-can to clown dances and from solos to barbershop quartets.

Sarting Saturday Lemon Grove Juniors will sponsor an art exhibit in the House of Charm, Balboa Park for two weeks.

All 21 Juniors' Clubs are participating this year and it is the second year for the local club. A tea will be held at 2:30 to 4 Sunday, March 3rd, at which time a trophy for the best display will be awarded. Lemon Grove is supplying the hostesses and furnishing the refreshments for the event. Mrs. Mike Calderone is in charge of the art exhibit. Mrs. Ralph Kraft is hostess. Mmes. R. Kickbush, M George, G. Johnson and G. Cooper are chairmen for decorations, posters, refreshments and tea table, respectively.

Polio shots, the clubs remind, will be given at the Junior High School Cafetorium, March 2nd.

Recreation Posts, New School Plans Get Board Eye

Ten nominations for the same number of posts on the Lemon Grove Recreation Commission will be made Monday evening, 7:30, when the school board convenes for is regular second monthly meeting. Each of the five members is to nominate two people.

The nominations will be made on the basis of schools or "areas" within Lemon Grove. These include Golden Avenue, the junior high, Vista La Mesa, Monterey Heights, and San Miguel. Ratification of the commission membership is expected to follow nominations.

Clyde Hufbauer, district architect for the sixth school being planned here, has received approved plans from the State Division of Architects and will present these to the board at this February 25 meeting. The Palm Avenue School, needed for fall enrollment, is still scheduled for a September opening.

The board recently approved a joint meeting with the Lemon Grove District Teachers Association salary committee. This group, an elected, long term committee, will review with board members the comparative figures of all school districts' budgets as presented two weeks ago at a county-wide salary and finance workshop. This marks an initial step in the annual adoption of a district salary schedule. Wiley Cornelius, Golden Avenue School teacher, is chairman.

Nice Bluebirds Win Peanut Sales Title

A group of six Campfire girls copped the Eighth District title for peanut sales during the recent campaign the organization staged in San Diego county. The girls averaged 86 cans each.

The Nice Bluebirds, that's the name of the unit, were led in their supersalesladv efforts by Mrs. Connie Carlson and Mrs. Lillian Collette.

The six girls who were awarded ribbons for their efforts at a movie party staged for them: Cheryl Carlson, Nancy Collette, Janice Johnston, Sharon Young, Carol Taylor, and Mary Larsen.

Betrothal Announced

Mr. and Mrs. Lynn F. Upton of Lemon Grove announce the engagement of their daughter, Carole Lynne, to Harold D. Cypret, U.S.N., son of Mr. and Mrs. T. J. Cypret of Eldorado, Kansas. The bride-elect is a member of Job's Daughters, Bethel No. 229, Lemon Grove, and is a senior at Helix High. A wedding date of April 6 has been set.

Bert Betts Says He'll Go For School Board Post Again

Bert Betts, certified public accountant of 8245 Palm Street said this week that he would be a candidate for re-election to the Lemon Grove Elementary School Board post.

A downtown newspaper ran a story in January referring to a May election at which Betts' trusteeship would be voted upon. This he said, caused him to come to a decision on the race much earlier than a May election normally demands.

Betts has completed a three year term. He was elected when the school board was increased in size from three to five members. At that time the three winning candidates were awarded terms in ratio to the number of votes received. Betts racked up the most votes and got the three year term. Other candidates served two terms of one and two years each.

"Mechanical Man" Intrigues Crowd For LG Camera

He had folks in Lemon Grove guessing. That is Henry J. Stevenson, "The Mechanical Man" did last Friday when he appeared in the display window of Lemon Grove Camera.

Stevenson, who has spent his adult lifetime in an act he has perfected, postured and acted out the popular conception of how a mechanical man would act. His leaden expression, immovable eyes, and other tricks had people who gathered in front of the window fooled because many of them thought he was some sort of mechanical window display.

Awards Given To Cubs Of Pack 308

Lemon Grove Cub Pack 308 had a "Blue and Gold" dinner last week at Junior High Cafetorium and they were still talking about the trip they took to Miramar Naval Air Station where they saw the inner-workings of jet air craft and helicopters.

Awards and achievements were recorded among these boys:

New Bobcats: Charles Durr, Dennis Lockhart, Joey Burnworth, Jeffrey Adels, Eddie Beler, Ronald and Rodney Hutton.

New Wolves: Peter Klimek, David Schneider and Gary Hoffman.

New Bears: Ronnie Gee, Joe Rogue, David Burns, Daniel Colesanito, Carleton Black and James Caster.

New Lions: Stephen Rotsart, Glenn Ellison and Leonard Taylor.

Gold Arrows: (Wolf) Kenneth Harvey, David Burns and Chris Miller. (Bear) Ronnie Gee, Mark Hagg, Earl Touchet, Stephen Boyce, Tommy Kuhn, Carleton Black and James Caster. (Lion) Stephen Rotsart and Leonard Taylor.

Silver Arrows: (Wolf) Michael Laub (3), Worth Ward (3), Tommy Tyson (2), Frank Sanderson (2), Tommy Rowland (2), Kenneth Harvey, David Burns and Carleton Black. (Bear) Mark Haag (4), Stephen Boyce (2), James Caster (2), Timothy Shea (3), Earl Touchet, Gary Halverson, Tommy Kuhn, Stephen and Nicholas Dempsey, and Bill Van Meter. (Lion) Stephen Rotsart (3), Michael Collins (2) and Leonard Taylor.

Webelos Badge and Handbook: Stephen Rotsart and Michael Collins.

Graduation Certificate and Mothers Sunburst Pin: David Schroeder.

Service Stars: Mark Haag, Earl Touchet, Michael Laub and Ronald Denlinger (all 2 years), and Craig Wallbrett, Tommy Tyson, Frank Sanderson, Raymond Bevier, Bobby White and Curtis Linvedt (1 year).

Denners and Assistant Denners: Mark Haag, Bill Johnson, Tommy Kuhn, Ronald Denlinger, and Sidney Kenworthy.

TRINITY PRESBYTERIAN CHURCH

Reverend Hugh M. Reiner of the Los Angeles Presbytery will fill the pulpit at the 9:30 and 11:00 a.m. services. He formerly was pastor of the Presbyterian Church at Oceanside.

March Of Dimes Campaign Over Area Nets $3,279

Current figures on the March of Dimes campaign in the Lemon Grove and Spring Valley area reveal that a gross collection of $3,279.00 has been made to date. General Chairman, William B. Paul said he is most gratified at the excellent showing the area has made thus far.

Final folgues will not be available until April 15th, Paul said, because collections from schools, some organizations, and the like will continue to trickle in for several weeks.

The Mothers March garnered the biggest single contribution with $750. Next highest was the collection through school cards distributed to the pupils. $741 was collected by that means.

Other individual collections and group efforts include, Lemon Grove theaters, $190; Teen Club balloon sales, $145; Coin collector counter cards, $329; VFW Road Block, $363; Square Dance, $242; Special Gifts group, $213; S/Toils (Business House employers and employees) $250; and basketball games $228.

Paul paid special tribute to the VFW members who staged their "Road Block" under the most trying weather conditions, and to the Lemon Grove Business Women's League which turned in $120, the largest single donation from an organization.

In commenting on the campaign, Paul, who modestly discounted the hours he had spent in coordinating efforts, said:

"As local Chairman of this year's March of Dimes, I wish to take this opportunity of thanking the residents of the Lemon Grove Spring Valley area who have contributed so generously toward making this year's Drive a success.

"Contributions from the Lemon Grove area alone are over $3,000.00. This figure does not include those contributions sent directly to the March of Dimes Headquarters. The figures for Spring Valley are not available at this time due to the fact that donations were chanelled through both La Mesa and Lemon Grove.

"The Drive this year was particularly difficult due to the feeling that the discovery of Salk Vaccine had eliminated the need of the March of Dimes foundation.

"To many that contributed both financially and of their time and efforts, I wish to express my personal appreciation and that of the San Diego Chapter for Infantile Paralysis. The true reward for all lies in the knowledge that your efforts have aided those already afflicted and will do much to prevent others from contacting this dreaded disease."

CHRISTIAN SCIENCE SERMON STRESSES GOD AS MIND

In the Lesson-Sermon on "Mind" a Bible citation from Ezra (7) relates that Artaxerxes, "the king granted him all his requests, according to the hand of the Lord his God upon him . . . For Ezra had prepared his heart to seek the law of the Lord, and to do it, and to teach in Israel statutes and judgments."

THINGS DOIN' & BREWIN'

About Civic Center

By DICK HENDERSON

The east wall of City Council Chamber is decorated with Murals which make an interesting study for visitors, well worth viewing.

Murals are becoming increasingly popular with home-builders, and the First National Bank branch in El Cajon paid Artist Earl Schrack $5,000 cash for his mural which adorns the walls of the banking institution. Earl Schrack is an artist in more ways than with the brush, to be able to talk bankers out of $5,000 in coin. Anyway, he is now in Paris for his second year. The murals on the Council Chambers walls were painted, I am told, during the depression, and furnished work for many artists.

HEARINGS

Reclassification from R-2-A to C-1 of property in the Lemon Grove Section, requested by Dr. George B. Brassington et al. (The Planning Commission recommends denial of the request but approval of a zone change from R-2-A to C, including adjacent property to the west, on condition that the owners of all said property formally offer to the County, without cost, 20 feet of additional right of way along the north side of Golden Avenue.)

WELFARE MATTERS

Report of Public Welfare of actions taken during January, 1957, in connection with the administration of Old Age Security, Aid to Needy Children, Aid to Needy Blind, and Aid to Partially Supporting Blind.

The Board to determine the liability of the responsible relatives of 65 recipients of Old Age Security and 5 recipients of Aid to Needy Blind.

TAX MATTERS

Copy of opinion of County Counsel to the Tax Collector setting forth and concurring with the opinion of the Attorney General concerning cancellation of penalties on tax accounts delinquent through no fault of the taxpayers and recommending procedures to be followed to effect such cancellations.

The City of La Mesa requests cancellation of an assessment of $91.00 erroneously listed against Lot 6 in La Mesa Dale Subdivision, 1956-1957, and The Tax Collector requests cancellation of penalty on the same account, the amount of the tax less the $ 91.00 assessment having been paid prior to the penalty date (approved by County Counsel.)

DARRYL STREET SEWER

Letter from the Department of Public Works stating that the lowest responsible bid on the construction of sewers in Darryl Street, et al. 1911 Act Unincorporated Area 46, Lemon Grove Sanitation District, was of L. B. Butterfield, Inc., in the amount of $16,526.85, the Engineer's estimate for said construction being $14,704.16; and recommending that, if said bid is approved by County Counsel; that the Board adopt a resolution awarding the contract for said construction to L. B. Butterfield, Incorporated.

MISCELLANEOUS

Letter from the Chief Administrative Officer stating that the President of the San Diego Weather Corporation has informed him that the total cost of the cloud seeding program for 1956-1957 would be about $18,000.00—$17,566.35 to be paid to the North American Weather Consultants of California for the seeding, and the balance for incidental expenses, that it has on hand from previous years' operations more than $4,000.00, that $3,345.00 has been received from or pledged by agencies other than the County and the City of San Diego.

SAVE WATER

Opinion of County Counsel concerning the legalty of appropriating $5,000.00 toward the financing of a program sponsored by the "Don't Waste Water Committee"; stating that such an educational program would be encompassed within the definition of Section 26152 of the Government Code, which authorizes the Board to provide for the education of the public on the conservation of natural resources.

NEW!
RIGHT DOWN THE LINE
Newness runs deep in the boldly modern Ford trucks for '57. It starts with new *kinds* of trucks—like brand-new Tilt Cabs, and it continues through every model!
Cabs are completely new—the roomiest, strongest, most comfortable yet—for modern driving ease.
For rugged dependability, there's new strength throughout the chassis . . . modern, more powerful Short Stroke engines with new advances from camshafts to carburetors. See the new Ford trucks now . . . they're *modern clear through!*

Totally new Tilt Cabs! America's most modern and lowest-priced* Tilt Cab line! Six completely new series, up to 60,000 lb. GCW. The easiest-to-service, easiest-to-drive big trucks ever built!
*Based on a comparison of factory-suggested list prices

New Styleside pickups! Modern cab-wide bodies, standard at no extra cost! America's biggest, smartest pickups! Completely new cab, completely new ride!

New T-800 tandem. GVW 41,000 lb. Power steering and high-torque 212-hp V-8 with 4-barrel carburetor are standard. New heavier cabs with "double floor"!

BOND SALE REQUESTED

The Board adopted a resolution asking that the State request the La Mesa-Spring Valley School District to sell local bonds in an amount ($239,000) sufficient to make us eligible for State aid covering Briar Patch and the next new elementary school proposed (name yet undecided) by the State is necessary to accomplish this sale.

It is expected that considerable saving in terms of interest rate, and a sizeable building program speed-up, will result from this move.

The bonds (our Series "B" of local school bonds) are a portion of the total amount authorized at our Bond Election March 31, 1956.

WOMEN OF ST. PHILIP'S CHURCH TO ASSIST IN WORLD DAY OF PRAYER

The Women of St. Philip's will join in the World Day of Prayer. This year the host church in Lemon Grove will be the Skyline Wesleyan Methodist Church, on March 8th at 10 a.m.

The rummage sale this week will be at 7931 Broadway, Lemon Grove, on Friday and Saturday, February 22 and 23.

Parents with small children are reminded that they may leave them with baby sitters during both the 9:15 and 11 a.m. services.

RE CONSTRUCTION OF A SANITARY SEWER SYSTEM IN DARRYL STREET ET AL, IN LEMON GROVE IN THE UNINCORPORATED AREA OF THE COUNTY OF SAN DIEGO, AREA NO. 46

NOTICE OF AWARD OF CONTRACT

Pursuant to statute and to Resolution Awarding Contract of the Board of Supervisors of the County of San Diego adopted on February 12, 1957, directing this notice:

NOTICE IS HEREBY GIVEN that the said Board of Supervisors in open session on February 6, 1957, publicly opened, examined, and publicly declared all sealed proposals or bids for performing the work and improvement described in the Resolution of Intention adopted by said Board of Supervisors on December 4, 1956, for the construction of sewers, manholes and appurtenances in DARRYL STREET et al in LEMON GROVE in the unincorporated area of the County of San Diego, Area No. 46, which Resolution of Intention is on file in the office of the Clerk of the Board of Supervisors of the County of San Diego and is hereby referred to for a description of said work and improvement and for all particulars relative to the proceedings under said Resolution of Intention;

That said Board of Supervisors did by said Resolution Awarding Contract award the contract for said work and improvement to the lowest regular responsible bidder, to wit:

L. B. Butterfield, Inc.

at the prices named in the bid for said work and improvement of said bidder, which said bid is on file in the office of the Clerk of the Board of Supervisors of the County of San Diego, and to which reference is hereby made and the attention of all persons interested is hereby directed.

DATED: February 13, 1957.

Helen Kleckner
Clerk of the Board of Supervisors of the County of San Diego, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California.

L.G. REVIEW — February 21 and 28, 1957.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the HELIX IRRIGATION DISTRICT will receive, on or before 9:00 A.M., March 5, 1957, bids for WINDSOR HILLS "B" TANK SUPPLY LINE, in the City of La Mesa, County of San Diego, California.

All items of work shall be as more particularly enumerated and described in the Bid Form and other contract documents forming a part of, and in strict conformity with, the "Plans and Specifications for Windsor Hills "B" Tank Supply Line," available at the office of the Board of Directors of said District, 4769 Spring Street, La Mesa, California and shall include the following:

SCHEDULE I

ITEM 1. Installation of approximately 2094 feet of 12" Class 150 A. C. Pipe.

ITEM 2. Installation of approximately 605 feet of 12" Class 150 C. I. Pipe. (Roll-on Joint)

ITEM 3. Installation of approximately 533 feet of 12" Class 250 C. I. Pipe (B & S)

ITEM 4. Installation of approximately 3 - 2" Blow-off Assemblies.

ITEM 5. Installation of approximately 2 - 1" Air Valve Assemblies.

SCHEDULE II

ITEM 1. Installation of 20' of 10" Class 150 A. C. Pipe including 12"x 10" tee and 10" gate valve.

ITEM 2. Installation of 42 feet of 8" Class 150 A. C. Pipe including 8" gate valve.

ITEM 3. Installation of 128 feet of 6" Class 150 A.C. Pipe including 12"x6" Tee and 6" Gate Valve.

ITEM 4. Installation of 25' of 4" Class 150 A. C. Pipe including 12"x 4" Tee and 4" Gate Valve.

ITEM 5. Installation of approximately 1 - 2" Blow-off Assembly.

ITEM 6. Installation of approximately 3 - 6" Fire Hydrant Assemblies, including main line tees.

Award will not be made for less than all the items of a schedule. The said Board of Directors reserves the right after opening bids to reject any or all bids or to select Schedule I and reject Schedule II or select both of the Schedules, and make award to the lowest responsible bidder or bidders thereon and/or waive any irregularity in a bid or reject all other bids.

The work shall include the furnishing of any and all required labor, transportation, services and material, other than water pipe, fittings, valves, remaining joint materials, copper tubing, bronze valves, corks, and fittings and hydrants, all of which will be furnished by the District if required, for the hauling, distributing, excavating, laying, caulking, tapping or assembling (including the installation of all couplings, rings, valves, fittings, etc.,) testing, backfilling, restoring all pavement and surfacing where necessary, and removal from service of existing mains where indicated on the plans.

Material to be supplied by the District shall be made available to the Contractor at the District's yard at 1100 Wagner Street, El Cajon, California, except as otherwise indicated on the plans.

It is especially called to the attention of the Bidder that the total time granted for the completion of said work shall be (60) calendar days after notification to the Contractor to proceed.

Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Helix Irrigation District has ascertained the general prevailing rate of per hourly wages and wages for legal holidays and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder, and that these prevailing rates are contained in said Specifications, adopted by the Board of Directors of said District on Feb. 5, 1957.

The foregoing schedule of hourly wages is based upon a working day of eight (8) hours. The rate for legal holidays and overtime work shall be not less than time and one-half of the prevailing hourly wages. If any holidays fall on Sunday, the Monday following shall be considered a legal holiday.

It shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the Contract.

Each bid shall be made out on a form attached to and forming a part of the Specifications, which can be obtained at the office of the Helix Irrigation District, 4769 Spring Street, La Mesa, California, and shall be sealed and filed with the Secretary of the Board of Directors of said District on or before March 5, 1957, at 9:00 A. M. and publicly read aloud on or after 9:00 A. M. of that day in the office of the Board of Directors of said District.

Each bid shall be accompanied by a certified or cashier's check or bond secured from a surety company satisfactory to the Board of Directors of said District, the amount of which check or bond shall not be less than 10 per cent of said bid made payable to the order of the Helix Irrigation District, said check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Directors of said District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50 per cent of the contract price, and a faithful performance bond in an amount equal to 100 per cent of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Directors of said District.

The bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the Specifications. All Plans and Specifications shall be returned to the District, whether or not a bid is submitted.

No bid will be accepted from a Contractor who is not licensed in accordance with the law under the provisions of Division III, Chapter 9 of the Business and Professions Code of the State of California.

Dated La Mesa, California, February 5, 1957.

A Rising Tide Of Worry Over Unprotected Homes, Stores

"Several Small Fires A Raging Holacust May So Contrive"

By DICK HENDERSON

Letter from Walter Broderick and Associates, 9333 El Cajon Boulevard, La Mesa, to Supervisors stating that recently a fire broke out in the furnace room of their store, that three fire departments—La Mesa, El Cajon and San Diego—were called and declined to answer the calls, that since it was 5:30 p.m. they were unable to get assistance from the Forestry Department, whose office closes at 5:00 p.m., that they pay personal property taxes of $1,644.13 and receive no fire protection; and requesting the Board's opinion on the matter.

(The above item, taken from agenda of Supervisors' meet of February 11th.)

This reporter called La Mesa Fire Department, was courteously received by one of the firemen on duty, who explained that 9333 El Cajon Boulevard (over the hill and close to Grossmont High) is outside La Mesa limits and that La Mesa Department cannot go beyond these limits, even across the street.

This lad further explained that the Forestry Department office closes at 5 p.m., no calls answered 'til 8 the next morning, and that Friday the works close down at 5 o'clock, no work till Monday.

Without knowing El Cajon's limits in that section—they have moved the signs at least three times in late years—it would seem that El Cajon should take up where La Mesa leaves off.

Also, it will be interesting to learn how come the Forestry Dep't works such a short schedule.

Lemon Grove and Spring Valley are in Fire Protection Districts, both have fine, well directed outfits, ranking with the best.

In another part of San Diego County left without fire protection by curtailment of State Forestry Department fighting activities a four room house burned to the ground despite the efforts of half a hundred neighboring housewives to quell the flames.

Last week a house in the Del Mar area was destroyed despite the belated arrival of nearby city fire fighting equipment and the three-hour late arrival of a State Forestry fire truck. Del Mar is currently wrestling with the problems of incorporation as is Lemon Grove.

Last week also saw three small blazes in the Vista La Mesa district, presently without fire protection, but the fires, one a kitchen pot blaze, one a garage waste fire, and the third a trash burning out of control, were handled by neighbor help.

Further inquiry regarding the Broderick fire revealed, in a telephone conversation with El Cajon's Fire Dep't Chief, , El Cajon's city limits extend to and include Highland's Veterinary Hospital, 9500 Block on El Cajon Boulevard, on the north side of Highway, about a quarter mile east of Broderick's establishment, which is just outside La Mesa's limits.

Big Area Unprotected

The unincorporated area in between, including Grossmont and all its beautiful homes, is not in either city, and not in a Fire District, "carries its own insurance". It was in this district that a fire occurred recently and a $90,000 home burned to the ground, with fire departments from both La Mesa and El Cajon looking on and helpless, because the law is so written that not even emergency aid can be given if outside their city's limits.

We are happy to state that Mr. Broderick's employees were able to put out the fire without serious damage. The firm, interior decorators, carry a large stock of expensive materials, paid the Personal Property Tax of $1664.13 to Wilbur Easton. We understand that Les Freeman, La Mesa City Clerk, is negotiating with the folks in "No Man's Land" on Grossmont to annex that unincorporated territory to La Mesa. Heretofore, the "quality" in that territory have resisted Freeman's blandishments re annexation, "not wanting to pay city taxes" and disregarding the benefits of city management. We were unable to get in touch with Freeman as this is written at 5:30 a.m. Thursday—and the statements herein are more or less hearsay.

When the Forestry Department shut down on "summer rates" a month ago, it left these folks out on a limb. Primarily, the arrangement is for brush and forest fire protection, not for any structure.

You take it from here.

NAVY MOTHERS' CLUB PLANS LUNCHEON

Navy Mothers' Club No. 9 will hold a luncheon-card party Tuesday at Veterans Memorial Hall in Balboa Park at 12 noon. Mrs. Ethel Evans is chairman.

Tom McAuliffe, of Buffalo, N.Y. is an armless golfer and once played 18 holes in 98 strokes.

Honored For Parent-Teacher Work

HELIX P-TA HONORS PAST PRESIDENTS—Four former presidents and the present president of the Helix High School Parent-Teacher Association will be honored at a Founders Day Program on February 28th. The program will get under way at 7:30 p.m. with the public cordially invited. Shown here are the quintet to be honored—left to right are Mrs. J. Gilbert Durham, Mrs. Glen Crosbie, Albert Wallace, Mrs. Robert Brown, and Mrs. William Beasley. Brown is now president.

Mrs. Rue Shiers, chairman of the Founders Day program, disclosed that a life membership in the P-TA will be awarded to some worthy person at that meeting.

—L. G. Camera Photo

NOTICE OF PROPOSED AMENDMENT OF COUNTY ZONING ORDINANCE

A public hearing will be held in Room 340, San Diego City and County Administration Building, Civic Center, San Diego, California, on Friday, March 8, 1957, at 9:30 a.m., to consider a proposal initiated by the San Diego County Planning Commission to establish a building setback line on the west side of Citronella Street from Lincoln Street to Palm Street of 40' from the center line of Citronella Street, and a setback of 40' on each side of the C/L of Montana Street from Imperial Avenue to Citronella Street; also a proposed amendment to Subsection (d) of Section 2004 of Ordinance No. 1402 (New Series), as amended, changing the building setback line from 60' from the C/L of San Diego County Highway Commission Lemon Grove Road No. 4 (commonly known as Imperial Avenue) to 80' from the westerly right of way line thereof, from the south line of Golden Avenue southerly to the boundry of the City of San Diego.

SAN DIEGO COUNTY
PLANNING COMMISSION
Willis H. Miller,
Director of Planning.

L.G. REVIEW — February 21, 1957.

Stork Delivers New Voters Trio

The Newest Set Nominating Committee have admitted three new members to Lemon Grove Chapter since February 3, and including February 7th., two boys and a girl.

Mr. and Mrs. Neil D. Emig, Jr., 2360 Main Street, Lemon Grove were the proud recipients of a bundle from Heaven in the person of a 6 pound 2½ ounce BOY, who came via Stork Air Express on February 3, stopping at Grossmont Hospital enroute for refueling.

Mr. and Mrs. G. L. Portello, 2045 Washington Street, Lemon Grove, received a little GIRL, weighing 5 pounds - fifteen ounces, also via Grossmont Hospital, on February 5. Mother and child doing well.

Mr. and Mrs. R. H. Kagle, 8160 Palm Avenue, Lemon Grove, drew a BOY weighing seven pounds - eight and one-half ounces on February 7th. Politics not known. The young man may turn out to be a Republican.

ON APPLICATION FOR CHANGE OF NAME IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN DIEGO
No. 212239

In the Matter of the Application for Change of Name of LEROY OWEN WALKER.

ORDER TO SHOW CAUSE

WHEREAS, a petition has been filed on behalf of LEROY OWEN WALKER to change his name to LEROY CURTIS.

NOW, THEREFORE, IT IS HEREBY ORDERED that all persons interested in the above entitled matter appear before the said Superior Court in Department Two thereof, at the Courthouse in said County of San Diego, on the 28th day of February, 1957, at 9:30 o'clock A.M. of said day, to show cause, if any they have, why the said application for change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this Order be published according to Government Code Section 6064, in the Lemon Grove Review, a newspaper of general circulation printed and published in the said County of San Diego, once a week for four successive weeks prior to the 28th day of February, 1957.

DATED: January 29, 1957

Lemon Grove, Calif.
Attorneys for Petitioner

L.G. Review—Jan. 31, Feb. 7, 14, 21, 1957.

Supervisors To Hike Building Permit Fees

Well, boys, y'all are gonna have to dig deeper for permits to build or improve your property, when amendments to County ordinance No. 989, (New Series) goes into action.

A study for the past three years indicates a loss of about $15,000 per year for engineering, surveys and inspection not now covered by fees, according to report of Surveyor and Road Commissioner Joe Mack, requested by the Board December 17, 1956, No. 117. Included in the report was a request that the Board of Supervisors direct County Counsel to increase fees as follows:

Fees Increased:

Moving permits, from $1.25 to $10; blanket permits, from $10 to $30, for a one-year period; construction permits, from $1.25 to $2; for residential driveways and inspection from $1.50 to $3; inspection of commercial driveways from $10 to $20; and excavation permits from $1.25 to $3.

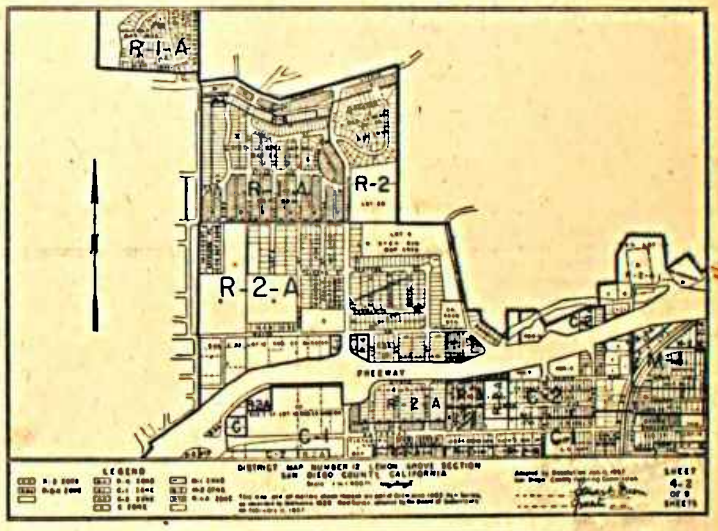
Of course, the guy that will do the diggin' is the customer who pays for the improvements and such. The contractor will merely pass along the increased charge, which seems fair enough for the rest of the taxpayers, who have been carrying the banner collectively for the past three years.

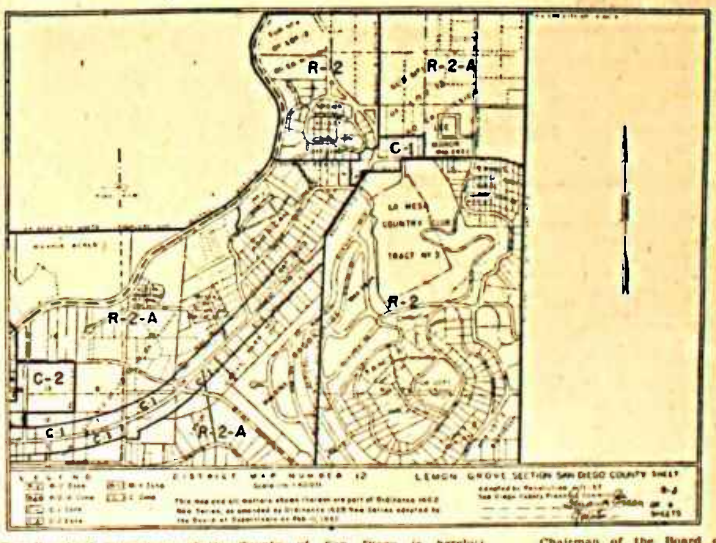
D.H.

☆ Mensen Ernst, Norway's remarkable cross-country runner, once ran from Paris to Moscow in two weeks, averaging 125 miles a day!

ORDINANCE NO. 1628 (NEW SERIES)

AN ORDINANCE AMENDING THE ZONING ORDINANCE BY CHANGING THE USE OF CERTAIN PROPERTY WITHIN DISTRICT NO. 12, LEMON GROVE SECTION, AND SUBSTITUTING SHEETS NO. 4-Z AND NO. 9-J FOR SHEETS NO. 4-Y AND NO. 9-I OF DISTRICT MAP NO. 12





The Board of Supervisors of the County of San Diego do ordain as follows:

Section 1. The zoning classification of the following described land located within District No. 12, Lemon Grove Section in the County of San Diego, State of California, is hereby changed from R-2-A Zone to C Zone:

The Easterly 75 feet of Lot 19, and all that portion of Lot 12 west of Kempf Street (Road Survey No. 436) of Subdivision No. 2 of Lot 12 of Rancho Mission of San Diego, according to the Map thereof No. 806, in the office of the County Recorder of said county, lying Southerly of a line parallel with and 150 feet southerly of the southerly right of way line of Broadway (Road Survey No. 349) said land hereby being on file in the office of the Surveyor of said County.

Section 2. Section 2001 of Ordinance No. 1402 (New Series) of the County of San Diego is hereby amended to read as follows:

Section 2001. MAP. "District Map No. 12, Lemon Grove Section, San Diego County," consisting of nine (9) sheets numbered 1, 2-D, 3-I, 4-Z, 5-W, 6-C, 7-G, 8-E, and 9-J, including an index sheet, each bearing the title "District Map No. 12, Lemon Grove Section, San Diego County," is hereby adopted and made a part of this ordinance.

Section 3. This Ordinance shall take effect and be in force thirty (30) days after the date of its passage, and before the expiration of fifteen (15) days after its passage it shall be published once with the names of the members voting 'Aye' and against the same in the Lemon Grove Review, a newspaper of general circulation published in the County of San Diego.

PASSED, APPROVED AND ADOPTED this 11th day of February, 1957 by the following vote:

Supervisor Frank A. Gibson voting "Aye"
Supervisor D. W. Bird voting "Aye"
Supervisor Robert C. Dent voting "Aye"
Supervisor De Graff Austin voting "Aye"
Supervisor Dean E. Howell voting "Aye"

ATTEST my hand and the seal of the Board of Supervisors this 11th day of February, 1957.

H. B. JAMES, County Clerk and ex officio Clerk of the Board of Supervisors

(SEAL)

By Mary Jo McAllister, Deputy

Chairman of the Board of Supervisors of the County of San Diego, State of California.

The above Ordinance was adopted by the following vote:

Supervisor Frank A. Gibson voting "Aye"
Supervisor D. W. Bird voting "Aye"
Supervisor Robert C. Dent voting "Aye"
Supervisor De Graff Austin voting "Aye"
Supervisor Dean E. Howell voting "Aye"

L.G. REVIEW — February 21, 1957

On The SIDELINES with Bob Turnbull

Track "Scandal" in AAU

There is a definite rumor in the National AAU official offices that another "Santee-type" track scandal will be bared to the public unless the collector of internal revenue offers protection to the unknown, yet well-known jackster. He has threatened to expose "under-the-table" payments that are listed in five figures . . . . Rome is the site for the 1960 Olympics, and already Italian officials are planning to hold the more popular track and field events last instead of first. . . . . Junior sprinter **Bill Ernest** leads the returnees in Helix Hi's usually unpredictable track and field forces. Ernest has been clocked at :9.7 in the 100-yard sprint. Other noted letterman are **Gael Barsotti, Pat Brown, Larry Williams, Chuck Baur, Wayne Brierly and Gary Dunn.**

San Diegan "Globetrotter" Coach

Ex-SDJC basketball player **Ermer Robinson,** up until recently, was an outstading guard for the famed Globetrotters. Now he is coaching a 'Trotter team touring the Southern states. . . . Still leading the individual Metro scoring scramble is Lemon Grove's **Gael Barsotti.** . . . A Shot in-The-Dark-Statement: Watch for a "triple tie" in the PCC basketball race betwen California, UCLA and Washington.

Coach Rejects National Prominence

Showing appreciated loyalty to his Montezuma gridders and Bordertown fans in general, **Coach Paul Governali,** head grid coach at State College, rejected an offer to lead the potent USC offense in September. Dr. G decided to give San Diego his talents . . . . but let's not kid ourselves: **Governali** can only do so much, and if the Aztec Club fails in its fund raising drive, and thus far the members are way behind schedule, the Aztec grid machine will falter . . . . Comparing the influx of transfers from JC's to both USC and UCLA, it looks like the Trojans received the upper hand this semester . . . . Starting in the Fall, State will have a helmet-knockin' contest with College of the Pacific, up to and including 1960. It goes without saying the Aztec Club needs funds if they're to compare muscles with schools of that calibre.

Sport Facts—Bluntly Speaking!

This is opinionated, of course, but . . . . Watch for boxer **Art "Golden Boy" Aragon** to "retire" from future fisticuffs . . . . The National Safety Council has condemned drag racing . . . Wrestling is 80 percent "phony" . . . Last year 108,452 deer were massacred. . . . . Lemon Grover **H. A. Fialy,** in a recent letter to a local daily, "blasted" the California Dep't of Fish 'n Game for a poor set up . . . . and tired of some "raw" deals they said they were getting. A National Hockey League Players Association has been formed to deal on league matters with their respective owners.

AC COUPE TOP ELIMINATOR

Leggott's and Venas' AC coupe was the top eliminator at the Paradise Mesa dragstrip recently. The 121.04 mph vehicle was driven by Bill Willett. Results: AS—Spears Ford, Jud May, 89.91. AG—J. Grossmont Track Schedule

Feb. 21—San Diego, here, 2:30 p.m. Mar. 1—Coronado, here, 2 p.m. Mar. 8—Huntington Beach Days, there. Mar. 16—South Bay Relays, Chula Vista. Mar. 22—El Cajon, there, 2:30 p.m. Mar. 29—Chula Vista, there, 2:30 p.m. April 5—Helix, here, 2:30 p.m. Apr. 12—Lincoln, here, 2:30 p.m. Apr. 14-21—Easter Vacation. Apr. 26—Sweetwater, here, 2:30 p.m. Apr. 30 (Tues.)—Metro League preliminaries. May 3—(Fri.) Metro League finals. May 11—(Sat.) SCIF preliminaries. May 25—(Sat) SCIF finals.

June 1—(Sat.) State finals.

Speed Demons Pause For Beauty

BEAUTY AND MACHINES—While their first love may be speed and danger over the Paradise Valley Drag Strip, motorcyclists who take part in the Sunday thrills and spills turn their thoughts every now and then to Beauty, here personified by Judy Kottke, 9014 Kenwood, Spring Valley, who is a leading candidate for Presiding Queen when the dragsters are presented with the Southern California Dragsters Trophy on March 13th. Judy, a former Helix High School student, has been nominated for the post for an event which is expected to draw some 300 motorcycle riders to the Paradise Valley Strip as well as several thousand spectators. —Harrf Thach Photo.

Poor Fish Lose Anglers' Bout, Planting Eyed

Sunday, February 3 furnished disciples of Isaak Walton considerable sport and several members of the fraternity got the limit. Trout planting, the first county-wide planting of the season, was productive of the fish. The pressure was intense, with most streams fished out by Sunlay noon.

After witnessing the interest in trouting, Warden Captain Les Edgerton at once recommended a regular planting schedule for this section. It will not bear fruit immediately, but should in a couple of weeks.

To a non-fisherman, the trout don't seem to get much of a chance, being planted one day and fished a couple of days later. We were under the impression that the planters protected the fish for a time, to incrase the crop.

Rods Outnumber Fish

Murray Lake was lively with fish and fishermen, with 206 rods and line dripping in over the week-end. Bluegill and catfish predominated in the scoring, with Ralph and Joessa Jones making the biggest score, 28. Ralph caught 13 and Joessa limited. Some gal.

The trout streams were so thoroughly fished that a Sunday fisherman, even though experienced, was hard pressed to hook a single rainbow.

We heard of one Lemon Grove fisherman who took his young son on the boy's first fishing trip, and neither got a nibble. The small son didn't say anything, but learned early about fisherman's luck. The 'gent and his progeny went to Rodriguez Dam, and said DAMN!

DUANE FREEMAN BAGS FIRST JAVELINA

Duane Freeman, son of H. E. Freeman, 2710 Bancroft, Spring Valley, is a mighty proud hunter.

Last week he went with his father and a company of huntsmen into the rugged peaks of southwestern Arizona on a javelina hunt.

The Freemans, senior and junior, together with Kent Freeman, Duane's uncle flushed out a group of five, and at several hundred yards the young man downed his quarry which he brought home in triumph. Scene of the battle was near Tucson.

Mashin Tells Tales About Olympic Junket

Grossmont High's Jack Mashin, athletic coach, is back from his trip around the world and a visit to the Olympic games in Melbourne, Australia. He's in real demand to relate his experience and observations accumulated during his far-flung junket.

He will present an assembly at Grossmont, will speak to the San Diego City Schools Administrators, for the Old Mission Rotary Club of Point Loma, and will show movies to theSan Diego State College track team. He will also show Olympic movies to girls' and boys' physical education classes and related movies to history and social studies classes on the Grossmont campus.

Mr. and Mrs. Mashin left in June and returned to San Diego on January 23 after visiting 30 countries, doing most of their travel by air. Their itinerary took them over the pole to Denmark, Germany, Russia, Poland, Czechoslovakia, through southern Europe, through Asia (where they saw the conflict in Israel), to Australia for the Olympics, to Honolulu, and home.

"In the countries I visited, education is a privilege for the few rather than compulsory for everyone," Mr. Mashin said in emphasizing how wonderful America is. "America is the greatest country of all," he said. "Every high school student, on graduating, should see an under-privileged country in order to appreciate our strong land."

The Mashins used 5,000 feet of movie film and made 1,000 colored slides. Mr. Mashin, who has been at Grossmont as educator and coach since 1923, is now teaching five classes in boys' physical education and is assisting Marvin Baer, track coach. Mashin has no immediate plans for more travel but admits he "would surely like to see Africa —the continent of the future."

COLORADO RIVER FISHING GOOD

Weather along the Colorado River is now in the 80's and anglers are making nice catches of catfish, bass and crappie. Bass are taking waterdogs, even if they are remaining unusually deep. They nibble well on mud suckers and plugs, too. Trout can also be snagged below Davis Dam and on Lake Mohave below Hoover Dam.

Must Our Coaches Punch Time Clocks?

By RAY SPENCER

Overtime pay for athletic coaches?

Now there is a problem for the trustees of the Grossmont Union High School District to wrestle with. Seems as how the Grossmont Coaches Association has asked more pay for what they claim to be longer hours than those worked by ordinary classroom teachers. The whole situation was precipitated when Superintendent Lewis Smith read a letter from the infant coaches organization stating their position.

It will seem sort of funny to have a hectic basketball game go into an overtime period only to bog down when coaches on either side of the cage court glance at the clock and rush to get their over-time pay slips approved. Yet it's no funnier than that which happens in any Industrial plant when the quitting time whistle blows or bell rings.

Whole point is that teachers have too long given services that have been taken for granted. A game at night, a long trip to play "foreign" games, or summer work with aspiring high school athletes, all take time from a coaches family, keep him away from home, or perhaps do not give him any time for simple elbow bending. On the other hand, most school boards are hard pressed to meet ordinary school expenses, let alone overtime pay for anyone.

Sports writers and editors are inclined to fancy themselves athletic omnipotents, so we'll confine ourselves to a comparative note. Newspapermen are asked on an average of eight or nine times a week to attend to this or that **extra curricular** meeting without overtime compensation, and in many cases at their own expense. They get out of making every such commitment that they can, confining themselves only to those directly affecting themselves or their jobs.

Perhaps the coaches could eliminate a lot of overtime by avoiding attendance at events not directly associated with the teams they coach, and in turn the school board members could sweeten the kitty a bit for scheduled extra time events.

At any rate, let's not be obliged to equip our coaches with time clocks instead of stop watches.

Maynard Leads Grossmont Grunters Into SCI Meet

This week Grossmont High wrestlers enter the Southern California Interscolastic wrestling finals. About 600 local wrestlers in the San Diego area will participate.

Since the inception of high school wrestling in the schools of San Diego several years ago, Grossmont was unable to enter a team due to the lack of adequate facilities.

Under the leadership of Coach Kenneth Maynard, the first wrestling team in Grossmont's long history was entered in league competition this year.

Wrestling in the San Diego County high schools has made rapid progress, especially during the past few years. Many years the only school to represent this area was the San Diego High School. Most of its meets were held with schools of the Los Angeles area.

A year ago eight schools in the local area competed with each other. Today there are 15.

Competition is held in the following weight classes: 95, 103, 112, 120, 127, 133, 138, 145, 154, 165, 185, and 186-215 pound class. A weight of 215 is set as a maximum to avoid possibility of injury to any contestant.

During the past year Grossmont won three and lost four in dual competition: Grossmont 18, Kearney 34; Grossmont 31, El Cajon 18; Grossmont 50, Mission Bay 5; Grossmont 8, Helix 42; Grossmont 30, Escondido 27; Grossmont 23, Vista 28; Grossmont 15, San Diego 36.

Coach Maynard feels that the Grossmont wrestlers accomlished a most commendable task in holding their own with the best talent in the area. "It's a great way to develop football talent" in the opinion of the coach.

Monday Twine Tilts . . .

Helix Blasts Arch Rivals

Making it two-for-two, Helix Hi defeated "big brother" Grossmont last Monday, 67-50. High scorers for the Green Wave were John Cook, 15, John Drum, 15, and John Wible, 12. The Foothillers top scorer was Jim Rathje with 15. The win enabled the local basketeers to remain one-half game in front of Sweetwater.

Saints Defeat Mariners

Paced by guard Tom Shaules' 36 points, St. Augustine High School defeated Avocado league member Mar Vista, 57-44. The Catholic hoopsters also won the Bee tilt, 54-29.

Devils - Spartans in Overtime

Much to Helix' suporters disappointment, Sweetwater and Chula Vista entered an overtime period with the Red Devils emerging victorious, 56-54. Helix is trying to shake loose the "too-close-for-comfort" National City crew, as the Metro league is zooming toward another deadlock.

The bevel of an ice chisel has a lot to do with the way it cuts. The trick is to get the angle hat cuts deepest and still throws chips. Experiment till you get the angle just right; it will save you many a strike when the ice gets thick.

LETTERS TO THE SPORTS EDITOR

Dear Editor:

I would like to make a small correction on the financial status of the Lemon Grove Little League, as appeared in last week's Review.

Instead of the reported $1422.42, (which happened to be our balance at the end of December), our cash on hand at the February 4th meeting was $2103.92.

After the Treasurer's report, George Davis, President of the Pee Gee Auto Parts at Chula Vista, announced that he would match dollar for dollar (up to $150.00, the amount necessary to sponsor a minor team) any amount raised by passing the hat. $65.00 was the amount collected and Mr. Davis donated $85.00.

The following day Arthur Berry of the Lemon Grove Sporting Goods store sent us a check for $50.00, which altogether made us $550.00 richer, with a treasury balance of $2653.92.

The Treasurer was authorized to make a payment for supplies & uniforms since that time, but we are still solvent, and with $750.00 due this week, we are quite confident that we will remain so.

We still are in need of one or two more sponsors for minor teams, at $150.00 per team.

Hope you will be able to find space somewhere in your paper to print the correction in treasury balance, just to keep the books straight.

Sincerely,
Isabelle G. McCrae, Treasurer
Lemon Grove Little League.

Lou Poluzzi Gets M.H. P-TA 'Life' Award

Louis Poluzzi, a Monterey Heights School teacher, was awarded the M. H. P.T.A Honorary Life Membership last week. Members of the Life Membership committee tricked Poluzzi by getting him to describe what, in his mind, constituted a candidate for such an award. Life Membership Award Committee Chairman Mrs. John Durham then bestowed the honor on him.

Poluzzi has been a member of the P.T.A and a teacher in Lemon Grove for seven years and has been extremely active in youth recreation activities.

A fashion show was given the same evening. Mrs. R. Kraft and Mrs. H. Wolfarth were commentators. Mrs. Sue Scott Spisak provided the background music.

Bigger Area For Ivory Pony League

The Lemon Grove-Spring Valley PONY League has extended its boundaries to take in more potential players, according to Nat Bemis, publicity chairman for the league. The boundaries now are: south of the new freeway from Massachusetts to Beaumont Avenue in La Mesa; Beaumont to Lemon Avenue in La Mesa; Lemon Avenue to Grossmont Boulevard to Fuerte Drive.

All 13-14 year old boys in that area are eligible to try out for the six teams that will be playing this year. As yet there is no sponsor for the sixth team.

Anyone or business caring to sponsor a PONY League baseball team in the Lemon Grove-Spring Valley area, may contact President Bob Yost at HO 9-3352.

Registration blanks for the boys may be obtained at their schools or at any sporting goods store in the area.

Schedules . . .

Grossmont Varsity Baseball Schedule:

Feb. 22—San Dieguito, here, 1 p.m.; Feb. 28—Hoover, there, 2:30 p.m.—Mar. 5—Mission Bay, here, 2:30 p.m.; Mar. 7—San Diego, there. Mar. 12—Mission Bay, there, 2:30 p.m. Mar. 13—San Diego, here, 2:30 p.m. Mar. 16—Garden Grove, at Helix, 10 a.m. Mar. 19—Kearny, here, 2:30 p.m. Mar. 22—El Cajon, here, 3 p.m. Mar. 26—Chula Vista, here, 3 p.m. Mar. 29—Helix, there, 3 p.m. Apr. 4—Sweetwater, there, 3 p.m. Apr. 5—Hoover, here, 2:30 p.m. Apr. 9—El Cajon, there, 3 p.m. Apr. 12—Chula Vista, there, 3 p.m. Apr. 23—Helix, here, 3 p.m. Apr. 26—St. Augustine, at Golden Hill, 2:45 p.m. May 1—Sweetwater, here, 3 p.m. May 3 El Cajon, here, 3 p.m. May 7—Chula Vista, here, 3 p.m. May 10—Helix, there, 3 p.m. May 17 vs. Sweetwater, there 3 p.m.

Safety Council Takes Poke At "Drag" Racing

The National Safety Council has condemned drag racing and other speed competitions of hot rod clubs.

They took a poll from city and state traffic officials, school authorities and local safety councils and have based their opinion from these units.

"Public interest would be better served," so states the council, "if the energy and enthusiasm now devoted to drag racing were channelled into more constructive activities." They also added, "since speed violations are so often involved in traffic accidents, we cannot condone speeding even in the name of competition."

They concluded, "although clubs known by the general term 'hot rod' often engage in many worthwhile activities, it is apparent that the chief purpose of such organizations is promotion of racing events. Therefore we recommend that traffic authorities and safety organizations refrain from endorsing, supporting or participating in speed events."

It is suggested by this newspaper that if any of our readers have a question or statement to both let us know of your opinion and to write the National Safety Council, Chicago, Illinois.

—B.T.

Caucus Picks Helix High ASB Candidate Quartet

The election campaign at Helix High School to elect nabobs for the coming year in the Associated Student Body organization went into high gear as nominating caucuses named opponents.

Don Bassett and Roger Moulton, both juniors will fight it out for the presidency; while Kay Farner and Phil Hutchens, both juniors, will square off for the vice-presidency.

Election Day finals will be on March 7, so the candidates and their backers will have ample time to paint the halls red, strew the sidewalks with bodies, and do all the other things which could be linked to a hot political campaign.

But Margie Fleming, Highland Fling staffer who reported on the caucus session, figures that the campaign will be conducted on a dignified basis with mud-sling-ing and name calling absent.

A highlight of this sixth annual experiment in Democracy by the Associated Student Body, Dr. Ned Joy, faculty member of San Diego State College spoke to the ASB meeting on "Liberty and Leadership."

Bird Man

Flight Officer Jerry J. Campbell, 7543 Davidson Street, Lemon Grove, has been named a flight officer for United Air Lines. After intensive indoctrination at the company's Denver flight training center, he has been assigned to Mainliner flights out of New York.

Campbell attended San Diego State College and learned to fly with the El Cajon Flying Service.

Saints' Shaules Expected To Top 500 Point Mark

As St. Augustine's cagers enter the final week of play, Tom Shaules, highest scoring prep center in San Diego county is expected to push his season scoring past the 500 mark.

The Saints take on the City Prep League champs from Hoover High School on the Cardinals' court at 7 p.m. Tuesday.

Coach Jerry Moriarty's Saints end their season at home on Thursday and Friday. The Metro League's Helix High quintet is the Thursday foe at 8 p.m. and Brown Military is the opposition at 8 p.m. Friday.

Shaules, who has shattered the school scoring mark, has swished 479 points through the cords in pacing the Saints to 11 wins in 20 starts. If he maintains his 24-point average, the 5-foot-8 sniper should break the 500 mark against Helix.

C de O Little League Shapes Coming Season

The Directors of the Cajon-De-Oro Little League baseball group held a meeting Wednesday night, February 13 to discuss further plans for the forthcoming baseball season. Registration day will be Saturday, March 10, in the auditorium of the Casa de Oro School, at 3 p.m.

Further information on Registrations and where application blanks may be picked up will be announced in a later press release.

Plans for an opening season dance were discussed, the dance to be held somaime in April, as a means to raise funds for the League.

Mr. John Foster, Field Chairman, announced that working parties are already putting in some time on the field. Volunteers for these parties are still urgently needed. Anyone interested in helping or donating equipment is asked to report to the field at Russell and Fuerte Drive in Calavo Gardens, any Saturday or Sunday.

A general meeting for all parents of Little Leaguers will be held in the Casa de Oro School Auditorium Thursday, March 14. All interested persons are urged to attend.

Golden P.-T.A. Members Take Trip Into Yesteyear

Mrs. R. L. Thurman, a charter member of the Golden Avenue P-TA was presented with an Honorary Life Membership Award last week at the group's Founders Day meeting. Presentation was made by Mrs. E. P. Wright, chairman of the event.

Also honored were past presidents Ray Lange, Mrs. J. C. Gomes and Mrs. T. A. Keeton. Mrs. E. W. Middleton, also a past president, was not present.

Mrs. Keeton, Founder's Day Chairman, presented a program which followed styles and customs chronologically from 1890.

Mrs. I. D. Wilder modeled an 1890 bathing suit; Mrs. Evelyn Lauritzen and Mrs Gomes modeled 1900 dresses; Mrs. R. L. Gutshall modeled a 1900 duster; Mrs. Albert Detrez and Mrs. Don Luscomb displayed gym bloomers and white blouses of the 1915 period; Mrs. R. L. Thurman, Mrs. T. J. LaRose and Mrs. E. P. Wright modeled flapper dresses of the '20s and gave an exhibition of the Charleston; Mrs. Ted Doughty and Mrs. Chamberlain showed hobo styles of the 1930 depression.

Mrs. F. E. Norton and Mrs. Ada Krimsky supplied mood music. Mrs. J. Szalay and Mrs. Arthur Long were commentators.

LG Junior High P-TA To View Skit Tonight

"If Teachers Were People" is title of a skit to be presented tonight at the meeting of the Lemon Grove Junior High P-TA at 7:30 o'clock, school cafetorium.

Faculty members will portray parents, taxpayers and students in what promises to be an hilarious playlet.

Band director Harry Weisgerber will present the band in several musical arrangements as a prelude ta presentation of past presidents of the unit. An honorary life membership in the California Congress of Parents and Teachers will be presented to a surprised recipient as the evening is celebrated as the units 34th birthday as a member of the state and national Congress organizations. Officially it is Founders Day.

President, Mrs. Charles Taylor will preside, and the evenings program is in charge of Mrs. Charles Correll. Hostesses will be representatives from the parents of the 7-5 and 7-6 classes.

EASTERN STAR TO MEET

A stated meeting of San Miguel Chapter No. 579 Order of the Eastern Star, will be held Feb. 27th at Friendship Hall, 3140 Main Street. This meeting will Honor Past Matron, Mrs. Harry Mitchell, and Past Patron, William Dewgaw. The 1956 officers will fill chairs for opening. Chairman of the evening is Mrs. Perna Braley.

☆ In 1923 baseball's immortal pitching ace Lefty Groves, Baltimore, struck out 68 men in 45 innings.

NEWLY OPENED FREEWAY POSES TRAFFIC PROBLEM

(Continued)

po Road. Several near accidents were narrowly averted.

Luckenbach said that in his opinion education was a crying need—first public information that the section of the Freeway was open to traffic so that more through-bound vehicles would use it, and secondly that the problem of getting on and off the Freeway at Campo Road was in reality very simple if motorists who are going to and from La Mesa would realize that they should not cross the Freeway directly after or before using the underpass, but should follow the clearly marked entrances and exits provided at the junction.

More than 40 members and guests of the Mens Club of Lemon Grove gathered at Michaels Friday noon to get acquainted before the formal opening of the Lemon Grove Freeway. In the unavoidable absence of Mens Club president Joe Cannizzaro, REVIEW publisher Max Goodwin acted as host master of ceremonies, turning the meeting over to guest Earl Smart, president of the Lemon Grove Chamber of Commerce.

Smart in turn introduced Luckenbach who introduced the visiting dignitaries from the California Department of Highways and other visitors.

J. C. Phillips, president of the San Diego Chamber of Commerce spoke briefly on what he and his organization thought of the benefits to be derived from the new freeway, and urged cooperation among county communities on projects which would affect the well-being of all of them.

Luckenbach spoke for the highway department and lauded the local help and cooperation given that body by businessmen, service and civic organizations and just plain citizens.

The gathering adjourned to the Freeway at the Massachusetts intersection and were joined by a crowd of interested townsfolk.

Miss Doree Radici, "Miss Lemon Grove Freeway," sitting atop a car driven by Jim Spears, Lemon Grove Ford agency operator, and Smart, crashed through a huge paper sign, and the freeway was thus formally open to traffic.

Arrangements for the affair had been in the hands of Lemon Grove Chamber of Commerce vice-president Ted Skelly. Fellow chamber members and personnel of the Mens Club congratulated him upon the smooth handling of the event his efforts had brought about.

☆ Terry McGovern won the bantam and featherweight championships and knocked out the lightweight champion—and was thru at the age of 21.

Teachers Goup To Hear Math Wizard Speak

Dr. Ward C. Sangren of the General Atomic Division of General Dynamics Corporation will discuss "High-Speed Computing and Elementary Mathematics" at the February 28 program meeting of the Lemon Grove District Teachers Association next Thursday night. Beginning at 7:45 in the junior high auditorium, the meeting hosts high school math or science majors from the senior class along with the teachers and administrators of the district.

Dr. Sangren, who served as a senior mathematician with the U.S. Atomic Energy Commission's Oak Ridge Laboratory, joined the San Diego General Atomic Division last September. He holds a B.A. degree from Princeton and an M.A. and a Ph.D. degree from Michigan University.

He is well known for his work on the solution of the reactor problems through the use of high-speed calculating machines and advanced theoretical work on boundary value problems and non-linear differential equations.

"Interested patrons of the schools are cordially invited to attend the meeting next week," said Louis Poluzzi, special program chairman for the evening.

Junior Catholic Daughters Observe 31st Week Here

This week is the thirty-first annual observance of National Junior Catholic Daughter Week, and is being highlighted locally by a Day of Recollection at St. John of Cross Church. Girls Junior Court St. Teresa of Avila, Lemon Grove, will be hostesses all day Friday to members of Junior Courts St. Margaret of Chula Vista and St. Rose of Lima, Pt. Loma. Mrs. A.H. Osterberg, 7611 Circle Drive, Lemon Grove, chairman of the Junior Catholic Daughter Council of the Lemon Grove, La Mesa area, said that approximately seventy-five girls will attend the program of lectures, instructions and meditation conducted by Rev. Charles Young, court chaplain.

General chairman for the event is Sharon Styvaert, 8944 Campo Road, president of Junior Court St. Teresa is Elaine Bierly, 8145 Imperial. Co-chairmen of the breakfast and luncheon served the group are Mary Frances Koch, 6943 Mt. Vernon; Carole Ann Shettig, 1795 Imperial; and Janet Olney, 3945 Violet.

☆ Jay Bruce, California's official lion hunter, has killed 284 lions.

WATER RIGHTS FOR 2,500 ACRES

(Continued)

Otay water will bring one of these plans for development into immediate being, it is believed.

An election will be held in the District within 90 days to elect a governing board to run the La Presa District, Hansen said. Voters must be residents of the district. Boyle Engineering Co., of San Diego is presently running lines for the District to determine where mains will be placed, Hansen said.

Water is presently being stockpiled via the Metropolitan Water District and the total available should grow until full development is realized, Hansen pointed out. He stated that Otay board members recognized the fact all of Otay could not be served by water now available and agreed that a small but logical development such as La Presa should have the advantges of the water entitlement since the entire district would have to wait for adequate supply via barrels yet to be built.

Lawmen Clear Tire Vandalism, Auto Parts Theft

A theft last week at an auto wrecking establishment and 13 cases of malicious tire puncturing by juveniles were cleared up late in the week by deputies from the Sheriff's Department under the guidance of Lt. Robert Ryan.

Ryan revealed that three juveniles had been turned over to Juvenile Hall under a malicious mischief count after 13 complaints had been received from Lemon Grove residents that tires on their parked automobiles had been punctured with a sharp instrument such as an ice pick.

In a related round-up not directly connected with the tire puncturing case, Ryan and his deputies rounded up Virgil Lynch, 1117 Maranica street, El Cajon, and John Fowler, 2818 Central, Spring Valley, and charged the pair with burglarizing auto parts from the Sweetwater Auto Wreckers. The pair was lodged in the County jail.

All the arrests were made in front of the Grove Theater in Lemon Grove and resulted from a tip by one auto owner who was able to identify the juvenile who ruined the tires on his car. From that meagre lead the roundup followed.

Square Dance News

LARIATS

Second Friday in the month was Lariat's party night. The affair sported a Valentine motiff, complete with cupids, hearts and so on. Guest callers Bob Smithwick, Stan Bryan, T. T. Lewis, Tommy Ashton, and our own Marion Ashton kept enthusiasm running high to the music of the H and H Tune Twisters.

Frances Claypool, Betty Mark, Tommy Ashton, and Ken Mason drew the happy birthday song. Guest list included Helen Smithwick, Leonard Kaminski, Richard Hewitt, Pat Stanton, and Al and Jeanne Aylesworth.

Lariats gather every Friday night at the La Mesa Elementary School—doors are always open to visitors.

LEVIS AND LACES

The benefit dance held at Lemon Grove Woman's Club for the Rainbow Twirlers Wednesday, February 13th was a big success. Our thanks to the visiting clubs and callers that came to dance with us. President of Merry Whirlers brought money donated by the couples that could not attend. Thanks kids for all your support.

Levis and Laces introduced Ted Gantz as a caller Wednesday night, one of our own Levis and Laces. We think he will soon be known for his fine calling voice. Congratulations fellow.

Election of officers will be held Wednesday, February 27th. Come vote for your selections of officers. See you in a square.

BACHELOR 'N BACHELORETTES

This is a comparatively new square dance group with a current membership of 36. Ray Bihlmeyer is president; John Duncan is vice-president; Genevive Kovach is secretary and treasurer, and board members include Jessie Young, Laura Meyers, and Florence Proud.

Bachelor 'N' Bachelorette's are dancing on Thursday evenings at El Cajon Valley Jr. High School on Madison Ave., El Cajon, from 7:30 to 10:00 p.m. Kip Muse is our caller and instructor.

Hegland To Address CAC On School Bills

Assemblyman Sheridan Hegland will be the principal speaker at the next meeting of the Citizens Advisory Council on February 26.

Hegland, who is on the Assembly's education committee, will discuss bills on education al matters now pending in the legislature.

Time of the meeting is 7:30 p.m., and the place is the Education Center in La Mesa.

LIONESSES TO HOLD DINNER DANCE SATURDAY

Lemon Grove Lionesses will stage their first social event of this year when they hold a pot luck dinner and dance for their Lions at the Youth Center.

The affair gets under way at 7:00 p.m., Saturday night, Feb 23 at the Lemon Grove Youth Center. Arrangements are in charge of a committee headed by Ruth Schnick. She promises live music for the dancing.

Two Down—Hundred To Go For Bob Rochelle

The First Baptist Church of Lemon Grove is striving for a high attendance in all services for this Sunday in honor of their pastor, Rev. Bob G. Rochelle. He will observe his second anniversary with them this week. Special recognition will be given to the members who have united with the church during his ministry.

Skyline Methodists Prepare World Day Of Prayer Participation

Wesleyan Methodist Skyline Church in Monterey Heights will join churches everywhere in observance of World Day Of Prayer with a service Friday, March 6th, at 10:00 a.m.

At a planning meeting last Monday, Mrs. Hazel Clark of Spring Valley Friends Church, headed the group from there, and Mrs. Delia J. Prescott was Chairman of the representation from the Church of the Nazarene, Spring Valley.

Posters are being distributed in Spring Valley, Casa de Oro and Lemon Grove. Churches in these areas are combining in the program for the day, and eight local churches are represented.

Mrs. Serena Vassady, brilliant Hungarian, has written the World Day of Prayer Service, the theme of which is "Who shall separate us . . . ?Rom. 8:35. One hundred and forty-three countries will hold the same service round the world on March 8.

WHAT'S DOING

If a machine answers, don't be surprised—and don't hang up. What you hear is an Automatic Answering Set. It could happen when you call a business man at lunch time. Or a doctor after office hours. These remarkable machines give callers a recorded greeting, take a recorded message. They're being used more and more in offices these days. And in homes, too. By guarding against "lost" calls, they make your telephone service more useful than ever . . . worth more to you.

One of the most useful ways to use your telephone is for shopping. Especially when you're guided by the Yellow Pages of your telephone book. At a loss for gift or decorating ideas? Try browsing through the Yellow Pages. See if you don't come up with an answer. Have a definite service or item in mind? Page headings—in easy alphabetical order—will lead you right to it. Remember, whatever you need, you'll find it fast in the Yellow Pages.

What's Behind Your Dial?

Ever wonder what goes on when you turn your telephone dial? Many folks do, judging from the groups we enjoy taking through our electronic switching centers each week. Group tours for all age groups are available with a guide who explains this fascinating equipment in non-technical terms. A visit to our local HOPKINS switching center on Lemon Avenue in La Mesa enables you to see how you get to friends and neighbors in this community and in San Diego. Tours through our 37th street office in San Diego include the operator long distance center. Give us a call at your local Business Office HO 6-3201 and we'll be glad to arrange all the details for your group.
